## ADMITS GUILT GAINS LIBERTY

Baker, Oct. 5.—Another of the series of liquor cases resulting from the investigation pushed by District Attorney Godwin and Sheriff R. P. Anderson, was disposed of last night, when Helen Pace entered a plea of guilty to the charge of maintaining a nuisance, including the specific charge of selling liquor at the Eugene Rooming house, and was fined \$200, with \$25 costs by Justice of the Peace Hubbard.

This morning both she and Harry Pace, held in custody in the county jail, were released on payment of the fine. A vagrancy charge against her is still in effect, while the charge of immorality was dismissed.

Harry Pace waived examination on a statutory charge, which will be investigated by the grand jury. Two weeks' time was allowed the couple, by Judge Hubbard, to clean up their affairs in Baker and leave the city.

Abatement proceedings in regard to the Eugene rooming house, District Attorney Godwin stated this morning, will be allowed to hang fire for a time, as he expects that arrangements will be made by which a bond in the neighborhood of \$500 will be given, to insure the lawful use and occupancy of the place in the future.

### Candidates' Announcements.

#### For Assessor.

I have been regularly nominated on the Democratic ticket for County Assessor. If I am elected I pledge myself to a fair assessment. I believe the burdens should be fairly divided. I will devote my entire time to the affairs of the office, believing that the salary is sufficient to pay for it. I respectfully solicit the support of the voters at the coming election.  
Pd. Adv. W. A. MAXWELL.

#### How Catarrh Is Contracted.

Mothers are sometimes so thoughtless as to neglect the coids which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.
