**Come In And Let Me Tell You About My New Farm Loan**

**A 20 Year Amortized Rural Credit Loan No Commission No Renewals**

**TO UNION COUNTY FARMERS:-**

For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.

Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.

You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.

**A Distinctive Reason**

What is the chief reason for the superiority of Royal Baking Powder?

There are several good reasons, but there is one which distinguishes Royal from other baking powders.

This reason, which every woman should know, is that Royal Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

There is no alum nor phosphate in Royal Baking Powder
