"Hulda From Holland" Stars Mary Pickford.

Forsaking Japan and Italy, versatile Mary Pickford has turned her golden smile upon Holland and stars in her newest Famous Players production as the little Dutch girl in "Hulda From Holland," by Edith Barnard Diano, which will be the Paramount picture at the Arcade theatre tonight and tomorrow. In this delightful tale of the land of the tulip Miss Pickford is more appealing, if possible, than in many of her previous appearances, a fact which, coupled with the picture's

esqueness of the Dutch settings and costumes which mark the opening of the picture, makes it an unusual production even for Miss Pickford and the Famous Players.

The story opens in Holland, where little Hulda finds herself in sole charge of her three infant brothers Uncle Peter, who has become a prosperous Pennsylvania farmer, on learning of Hulda's plight, sends for her to come to America with the children. He meets them at the pier in New York but is injured while seeking information about trains and is taken to a hospital where no means of identification is found upon him.

Distracted by the disappearance of her uncle, Hulda wins the sympathy of a boarding house keeper who takes

her under her protecting wing until one day her quaint Dutch dance attracts the attention of an Italian organ grinder who induces her to dance to the tune of his organ. While practicing on the roof Hulda steps on a skylight and falls into the studio of a young artist who looks upon her as a heaven-sent model.

Meanwhile the accident to Uncle Peter has caused as much distress to President Walton of the New Central Railroad as it has to Hulda—but for very different reasons. The railroad has been trying to purchase a right of way through the stubborn old man's property and he will not sell. Walton has only three days in which to close the deal or lose the backing of heavy financial interests, when suddenly Uncle Peter disappears. Frantic efforts are made to locate him and detectives finally discover that he has been in the hospital, but not until he has been discharged.

Walton learns that Uncle Peter has a niece and he instructs his son to find the girl and win her confidence to the extent of persuading the old man to part with his land. Of course the young artist is Walton's son and, of course, he has fallen genuinely in love with Hulda, so when his father, who has never had any use for the boy, discovers that he has exceeded his instructions, he is at first very wrathful. But when he meets Hulda, his heart melts and all is forgiven.

In support of Miss Pickford the director, John B. O'Brien, has assembled several well-known players, including Frank Losee, John Bowers, Russell Bassett, Charles Vernon, and little Haral Hollacher.

Worms Sap Your Child's Strength.

Is your child pale and fretful? Does he cry out in sleep or grind his teeth? These symptoms may mean worms and you should obtain relief at once. Kickapoo Worm Killer is a pleasant remedy that kills the worm, and by its mildly laxative quality expels it from the system. Worms sap the vitality and make your child more susceptible to other ailments. Your druggist sells Kickapoo Worm Killer, 25c a box.—Adv.

Ouida Novel Has Long Record in Stage and Story.

"Under Two Flags," the novel by Ouida which the genius of William Fox has turned into a film masterpiece, has had a long history in its printed form, and as a piece for the stage. Many dramatic versions of the novel have been acted, the most important being by Paul M. Potter, who also dramatized du Maurier's "Trilby." Another version was made by Margaret Mayo, author of "Twin Beds," and "Baby Mine," famous New York farces.

A strange thing about the play is that it was given at the Academy of Music, in 1901, with Blanche Bates in the role of Cigarette. The same theatre is now owned by William Fox, and his pictures are shown there regularly. "Under Two Flags" will return to this playhouse after an absence of fifteen years.
