DOUCET PLAYS "DAVID" ROLE

Tomorrow night the first number of the Y. M. C. A. High School lyceum course, "The Melting Pot," a real dramatic production by an all star cast of 10 Broadway players of America's greatest-play will be given in the high school auditorium.

The seat reservation at the Y. M. C. A. has been quite brisk and holders of season tickets should reserve their seats as soon as possible.

Theodore Doucet plays "David" of David, the young Russian exile in "The Melting Pot," has, by hard work and close study, made a rapid rise in his profession in the ten years he has been in this country. He is a French Canadian by birth, and, after appearing in amateur performances in Montreal, decided to come to New York.

His first professional engagement was with a small traveling repertoire organization, and owing to the small company he was forced to assume a wide and varied line of parts. Having an exceptionally good voice, two years later found him in musical comedy with Henry Woodruff in "The Prince of Tonight."

But the real dramatic work was the goal of this young actor, so he entered stock, first, in support of Florence Rockwell with the Shubert Stock of Indianapolis, followed by a season in Minneapolis with Jane Tyrrell and Florence Roberts.

When Walker Whiteside opened in "The Typhoon," Mr. Doucet was selected to head "The Melting Pot" company and won the highest praise for his interpretation of the exacting role of David.

A Good Exhibit at a Good State Fair.

Corvallis, Ore., Oct. 17.—"The State Fair at Salem this year was the best in our history, and the educational and competitive exhibits of the Agricultural College were frequently spoken of as one of its most attractive features," said H. A. Vickers, secretary of the Extension Service.

The three divisions of the College—campus instruction, experiment station and extension—were represented by appropriate exhibits. The set of transparencies gave accurate and vivid pictures of campus scenes and features, many being new and all interesting. Grains, typical of the work of all the branch stations, were shown in the exhibits of the Eastern Oregon Branch Station, and splendid educational exhibits featured the work of the central station at Corvallis. Numerous departments of the Extension Service set forth characteristic displays. And in addition to this, the competitive swine exhibit was of such class that though small it won a large number of prizes, including seven firsts.

"The Home Economics booth excited a very great deal of interest," said Mr. Vickers. "The domestic science section demonstrated dairy and poultry foods, salads, etc., two young women being busy with the preparation and serving of the foods to those interested. Cheese soufflé sandwiches, salads and ice cream were especially featured. The model living room, furnished and decorated by the domestic arts section, evoked much favorable comment. This display showed the excellent results that can be obtained in securing pleasing effects with inexpensive materials properly selected and arranged." The model room furnishings were designed by Miss Grace Gillett, of the College staff. The food demonstration was in charge of Miss Anna M.

Corns Loosen, Lift Right Off

Nothing But "GETS-IT" Will Do This to Corns and Calluses.

If you've ever had corns, you've tried lots of things to get rid of them—salves that eat your toe and leave the corn remaining, cotton rings that make your corns bulge out like pop-

corns, scissors and knives that make your corns bleed and sore, harnesses and bandages that fit up your shoe, press on the corn and make your foot feel like a paving block. What's the use? Why not do what millions are doing—take a second off and apply "GETS-IT." It does, you put your stocking on right and wear your shoes—your corns and calluses lift off the toe. It lifts right off. It's painless. It's the common-sense way, the simplest, easiest, most effective way in the world. It's the national cure. Never fails.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; when cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Come In And Let Me Tell You About My New Farm Loan. A 20 Year Amortized Rural Credit Loan. No Commission No Renewals. TO UNION COUNTY FARMERS:- For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands. Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt. You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully. Geo. H. Currey. Opposite Y. M. C. A.
