BUSINESSMEN ARE FOR NEW NORMAL

PORTLAND CHAMBER OF COMMERCE STRONGLY ENDORSES BILL FOR SCHOOL TO BE LOCATED AT PENDLETON.

Portland, Ore.—The Portland Chamber of Commerce, which stands at the head of the businessmen's organization of the state, recently endorsed the measure proposing a Normal School at Pendleton in a resolution, giving the following reasons:

"We believe that Eastern Oregon is reasonable in its demands that such a school be located east of the Cascade mountains, hence we recommend its location at Pendleton as the most logical for the following reasons:

"First, it is a city of some size, having an enrollment of over 1,000 grade pupils.

"Second, Pendleton is very accessible, having over twenty passenger trains each day from five directions.

"Third, its location is as near central as could be expected, making it easy of access at a moderate cost to the students.

"Fourth, it is our understanding that the citizens of Pendleton propose to donate a very favorable site for the school.

"Fifth, many other advantages are: A good public library, several churches, pure water and a live, intelligent community that will take pride in the progress of the school."

ACT QUICKLY.

Delay Has Been Dangerous in La Grande.

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are most effective.

Plenty of La Grande evidence of their worth.

E. C. Brasel, 2203 N. Birch St., La Grande, says: "I went around for several months feeling as though my back was broken. I couldn't straighten up, as my back was so weak and sore. At times, it was all I could do to keep going. When I got down in a stooping position, I could hardly straighten up. I felt played out all the time. My kidneys were in a very bad way at times and the action was very irregular. The first few doses of Doan's Kidney Pills put my kidneys in working order and relieved that awful misery in my back. One box stopped the pains in my back and made me feel like a different person. Since then, when I have noticed any signs of kidney disorder, I have taken Doan's Kidney Pills for a few days and they have never failed to overcome the trouble."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brasel had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

LA GRANDE IS JOINING MOVE

GOVERNMENT SURVEY FOR FOREIGN-BORN ASSISTED BY SCHOOLS OF LA GRANDE

Government Bureau Will Assist in Educating Every Alien in United States for Full Citizenship.

Washington, Oct. 25.—(Special)—The great nation-wide campaign in which the public schools of the country, in co-operation with the Bureau of Naturalization of the U. S. Department of Labor, are preparing foreign born residents for the duties and responsibilities of citizenship, is receiving additional support daily. La Grande, Oregon, which last year failed to provide for the instruction of its alien population, has now joined this tremendously important movement for the betterment of civic conditions, both locally and nationally, and reports that night classes will soon be established.

According to the census of 1910 the total population of La Grande was 4,843 of which approximately 390 were foreign born. The foreign born whites of voting age numbered 235 of which only 121 had been naturalized. Of the foreign born whites 10 years of age and over three were classed as illiterate.

In 1910 the total population of Union county was 16,191 of which 1,250 were foreign born. There were 784 foreign born whites of voting age of which only 399 were naturalized, while 13 foreign born whites ten years old and over were classed as illiterate.

These figures indicated the pressing need for alien instruction and the movement has the cordial support of public citizens generally.

The Bureau of Naturalization will assist in every way possible the public school authorities of the United States in this campaign for citizenship preparedness, which has been so successfully launched and vigorously prosecuted. It will furnish a textbook for the instruction of candidates for citizenship and adult aliens generally, based on material supplied by teachers who have been engaged in the education of foreigners.

Cards bearing the names and addresses and other necessary information concerning all candidates for citizenship and their wives are to be transmitted to the respective school districts. Similar blank cards will also be forwarded for recording the names of adult foreigners who enroll but whose names are not sent by the bureau. Public school teachers will be supplied with preliminary naturalization forms for the purpose of assisting present and prospective candidates for citizenship in properly filling them out, and for such other possible educational purposes as may develop. The bureau will continue to send personal letters to all candidates for citizenship and their wives, urging upon them the vital importance of attending the public schools.

The bureau will also continue to furnish advice to the public school teachers based on its experience and knowledge concerning naturalization, citizenship preparedness and education, both direct from the Washington headquarters, in the Department of Labor, and through its field officers located throughout the country.

In a word, every public school, wherever located, if engaged in alien instruction, will be fully equipped by the Bureau of Naturalization for this great and constructive work.

How Catarrh is Contracted. Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

Worms Sap Your Child's Strength. Is your child pale and fretful? Does he cry out in sleep or grind his teeth? These symptoms may mean worms and you should obtain relief at once. Kickapoo Worm Killer is a pleasant remedy that kills the worm, and by its mildly laxative quality expels it from the system. Worms sap the vitality and make your child more susceptible to other ailments. Your druggist sells Kickapoo Worm Killer, 25c a box.—Adv.

There is a Real Difference

Cream of tartar, derived from grapes, is used in Royal Baking Powder because it is the best and most healthful ingredient known for the purpose.

Phosphate and alum, which are derived from mineral sources, are used in some baking powders, instead of cream of tartar, because they are cheaper.

If you have been induced to use baking powders made from alum or phosphate, use Royal Baking Powder instead. You will be pleased with the results and the difference in the quality of the food.
