Stop the First Cold.
A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough becomes serious if neglected. Hacking coughs drain the energy and sap the vitality. For 47 years the happy combination of soothing antiseptic balsams in Dr. King's New Discovery has healed coughs and relieved congestion. Young and old can testify to the ef-

fectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle today at your druggist, 50c.

Squeezing The Loaf

The soaring price of wheat has decreased the size of the loaf or increased the price. Either means increased cost of living.

The makers of

Grape-Nuts

have neither advanced the price, decreased the size of package, nor lessened the quality of this splendid wheat and barley food.

It contains the full nutriment of these sturdy grains, including their invaluable mineral elements, so vital for maintenance of strong bodies, steady nerves and capable brains.

Quickly digested, appetizing—a household word for nearly a score of years—Grape-Nuts easily stands at the head of all prepared cereals for delicious flavour, concentrated nourishment and economy.

Every table should have its daily ration of Grape-Nuts.

The Cow Gains Recognition (Christian Science Monitor)
Proof that the cow is gaining deserved recognition is shown by the announcement that the National Dairy Association of the United States is to conduct an advertising campaign to involve, during three years, the expenditure of \$750,000, to put "the dairy industry into the forefront of modernized efficient organizations." Inasmuch as "truthful advertising" is a slogan of the hour, the association might get some points from methods said to have been introduced by Bill Nye, who, as the story goes, once having a "raspberry plush cow of undoubted courage" to sell, boldly advertised her faults as well as her virtues, ending his statement with the honest confession, "I would rather sell her to a non-resident, the farther away the better."

When You Take Cold.
With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cold as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

Come In And Let Me Tell You About My New Farm Loan

A 20 Year Amortized Rural Credit Loan
No Commission No Renewals

TO UNION COUNTY FARMERS:-

For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.

Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.

You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.
