Sporting News

University of Oregon, Eugene, Or., Oct. 28.—(Special)—"Jaz" is the latest addition to the vocabularies of University of Oregon students.

When greater racket is besought, the yell leader cries for "jaz." When student perusal is urgently desired, campus posters put "jaz" in big type. Everybody's saying "jaz" except the disgusted faculty.

"Jaz" seems indigenous to this campus. Its derivation is puzzling even the professor of philology. It appears to be autochthonous. The words that seem most nearly synonyms are "pep" and "ginger." "Let's go" is a predecessor that also is akin.

"Jaz" is what is to be instilled into the crowd of homecoming folk who will be at the University November 4, the day when the football teams of Oregon and Washington get together after two years' separation, and when the hand of hospitality is held out for the old students of the University.

Thirteen hundred invitations have been sent out, and the reunion and the big game together are expected to bring to Eugene a substantial percentage of the "old grads."

Seven thousand men and women are likely to see the Oregon-Washington game, if weather is good.

Fat Man Is Loved.

New York, Oct. 28.—(United Press Staff Correspondent)—Despite Brooklyn's defeat in the world's series there is one man connected with the Dodgers who never will receive anything but praise for his share of the work that won the first National league pennant for Brooklyn since the American league got into the big league field. Wilbert Robertson is his name, and, like most fat men, he is loved everywhere—even in Manhattan, where they have little time for love or anything else. Robbie is one of the few active baseball men left from the "good old days" of the Baltimore Orioles. Hugh Jennings and John McGraw are two others.

NEIGHBORLY ADVICE.

Freely Given by a La Grande Citizen. When one has suffered tortures from a bad back and found relief from the aches and pains, that person's advice is of untold value to friends and neighbors. The following neighborly advice comes from a La Grande resident.

Mrs. F. Burgess, 1405 Ninth St., La Grande, says: "I was subject to lumbago. At times I could hardly get about and the pain in my back was so severe when I got down, I could hardly straighten up. Sharp pains, like a knife sticking in my back, took away my breath for a minute. Doan's Kidney Pills were recommended so highly that I got a box and found them beneficial. Four boxes permanently cured me of lumbago and since then, I have never had any signs of backache. I could not advise anyone to take a better medicine for lumbago than Doan's Kidney Pills."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burgess had. Foster-Milburn Co., Props. Buffalo, N. Y.—Adv.
