TERSE NEWS FROM UNION

(Union Republican.)
Nick Ficklin, of Portland, for many years a resident of this city, returned this week from a journey through the middle states and Canada, going to the Wima Hill section where he visited Tom Ficklin and family, formerly of Union. The latter are reported doing well in Canada, but the conditions there are not ideal so far as the comforts of life are concerned. Snow was a foot deep when Mr. Ficklin left Canada, and the threshing was not done yet. Labor was very scarce and \$5.50 per day was offered for men to help with the grain. The country is level generally, winters very cold, and eighteen miles to market from where Tom Ficklin lives. The latter recently took two loads of grain to market and received \$185 for them. They use no sacks for the grain in that country, and in threshing often run the grain right out on a pile of straw; last winter Claude Ficklin left 1,500 bushels of wheat lying in the open under four feet of snow, and the same was not damaged. Nick Ficklin reports the cold weather very severe in that country in winter time, water forty feet from the surface freezing last winter in a well. Mr. Ficklin thinks the part of Canada visited by him a great country in which to make money on grain, but far from an ideal place in which to live. The labor problem is one of the greatest the Canadian farmer has to meet at present, the surplus men of that country having gone to the European war.

Come In And Let Me Tell You About My New Farm Loan
A 20 Year Amortized Rural Credit Loan
No Commission No Renewals
TO UNION COUNTY FARMERS:-
For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.
Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.
You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.

By the County School Superintendents of Oregon:

ent, the surplus men of that country having gone to the European war.
The funeral of the infant son of Mrs. E. B. Moeler, daughter of Mrs. Chas. Fleetwood, of Baker, Oregon, was conducted on Saturday afternoon and burial took place at the Union cemetery.
The Union flouring mills shipped out a car of prime hogs Saturday last. This company is one of the heaviest shippers in this section and scatters much coin among the growers each year.
Stepped on a Nail.
While working at the Townley Packing house last Sunday, Ed Cline accidentally stepped on a cleat with protruding nails, and sustained a badly injured foot. He has been more or less out of commission this week, though able to hobble around.
A Serious Runaway.
Mrs. W. S. Richards of Union and Miss Eva Richey while en route from Union to Miss Richey's homestead 1 1/2 miles east of Baker, had a very narrow escape from serious injury when the team they were driving became frightened and ran away, throwing both ladies from the rig. They were found in an unconscious condition by parties passing in an automobile, and Mrs. Richards was taken to her home and placed under the care of Dr. Irvine of this city. Miss Richey was taken to the home of Mrs. Chas. Brooks of Telocaset where she is slowly recovering from her injuries. —North Powder News.
