### The Correct Viewpoint

MANY HAVE A MIS- TAKEN IDEA THAT IT IS BECAUSE PEOPLE ARE PROSPEROUS THAT THEY HAVE SAVINGS ACCOUNTS. PROSPERITY IN CON- NECTION WITH SAV- INGS IS THE EFFECT RATHER THAN THE CAUSE. THE INDIVID- UAL WHO PRACTICES THRIFT, WHO LITTLE BY LITTLE BUILDS A SURPLUS AND WITH IT CHARACTER AND REP- UTATION DOES NOT WAIT FOR PROSPER- ITY—HE MAKES IT. WE INVITE YOU TO JOIN THE RANKS OF THOSE WHO ARE IN- SURING THEIR FU- TURE WELFARE.

## Sporting News

La Grande high and Wallowa high battle for football honors next Saturday on the Wallowa field. La Grande has an old score to settle with Wal- lowa, and hopes to wipe away the pangs of defeat suffered at the hands of Wallowa two or three years ago when that school took La Grande to the cleaners. Wallowa has defeated Elgin and also Enterprise, so that she has a pretty good claim to the Wallowa county championship, and La Grande will have a battle royal on its hands.

**Tibbott's Boot Is Best.**  
New York, Nov 1.—(United Press)—Dave Tibbott, who drop-kicked a victory over the Tufts goal in the recent meeting between Princeton and Tufts, turned in the best kick of his somewhat brilliant kicking career that afternoon. Tibbott has been a member of the Princeton team as a substitute backfield man since last season and has been used with great regularity as a drop kicker when critical

periods showed up. In the Tufts game he had made several ineffectual attempts to put over a field goal, but had failed from distances which ap- peared comparatively easy, with just two minutes left before time would be called. Tibbott again was called on, and delivered with a perfect drive, from the forty-six yard line sending the ball at least three feet above the cross bar. It was the longest goal he ever made. The kick was just two yards more of a boot than one of his registered a year ago in the contest with Dartmouth. Last year Tibbott showed up mighty well as a kicker. Besides turning in the goal in the Dartmouth game Tibbott booted two goals in the game with Syracuse which won the game, one from the forty-three yard line and one from the thirty yard line. He also dropped one from the thirty-three yard line in the struggle with Rutgers. In the Princeton-Harvard game he drop- picked two goals, one from the thirty

yard line, the second from the twenty-five. Tibbott is strictly a drop kicker not a single goal from placement being credited to him.

**Good Roads and Railroads**  
(Railway Age Gazette.)  
In quite a considerable number of annual reports of railway presidents in the past two years mention has been made of inroads which automob- iles are making in railroad passen- ger business. There is another as- pect, however, of the development of the automobile and the automobile truck which may turn out to be of considerable advantage to railroad development. The use of the auto- mobile and the automobile truck is acting as a preventive of branch line railroad building, thus conserving capital for betterments to existing lines. A good road is built by state or county and this road, with the de- velopment of the automobile truck, acts as a factor for the railroads which it crosses, and, moreover, a feeder built with the public's capital and not the railroad company's cap- ital. Unprofitable branch line mile- age has been the old man of the sea on the back of many a railroad in this country. A good state or county road crossing a railroad will be a feeder of it for forty or fifty miles on either side of the track. At this time there are many rural communi- ties which are sending freight and passengers over forty miles or more of good roads to the nearest railroad by automobiles—as much traffic as the railroad could hope to get over a branch line, the interest on which would be great enough to eat up nearly all the profits on the line haul.

**Stop the First Cold.**  
A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough be- comes serious if neglected. Hacking coughs drain the energy and sap the vitality. For 47 years the happy com- bination of soothing antiseptic bal- sams in Dr. King's New Discovery has healed coughs and relieved con- gestion. Young and old can testify to the effectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle today at your druggist, 50c.—Adv.

**The Portland Telegram**  
One of the advancing forces of journalism on the Pacific Coast is the Evening Telegram of Portland. It is likely at no far distant date to com- mand the evening field in metropol- itan journalism. The paper now owned by Wheeler Brothers and John F. Carroll and the management possesses that breadth of vision which grasps not only the needs of the state but includes a clear concept of those moral forces which, in the last analysis, count largest in social progress. The paper is clean, the sort which can safely be welcomed to the family circle. It stands for political decency, for law and order, for social justice and it tells the truth. The future of the metropolis of Oregon, indeed of Oregon itself, will find this paper a mirror of its opinion, a guardian of its civic standards and a bulwark of its morals. The state is already the better for its influence.—Pendleton Tribune.
