continuously since, two years of which I was prosecuting attorney in Indiana. I was admitted to the Supreme court of Oregon in 1906. I am married and have three children. Am a tax payer of Union county. Have resided in Eastern Oregon over ten years and in Union county the past six years.  
 I stand for a strict enforcement of all criminal laws and an economical administration of all county business.  
 To those who do not know me personally, I court a thorough investigation of my ability as a lawyer as well as my past and present record as a public or private citizen. I am not sending out literature written by myself telling of my superior qualifications but am willing to let the people pass upon my fitness for this office.  
 My home paper commenting on my nomination says: "Kitchen was born and raised in Porter county, Indiana. He graduated from the Valparaiso high school and also from the scientific, classic and law departments of the university. He was chosen class orator on the two latter occasions. He practiced law here for a few years and at one time was prosecuting attorney. His ability is known and respected throughout Porter county."  
 If elected to this office, I will assume my duties without having made any promise to any person, firm or corporation, except to do my full duty.  
 As it is impossible to see each voter personally, I take this means of soliciting your support at the November election, which will be greatly appreciated.

## SHERRY'S

Lionel Barrymore in Pleasing Photoplay.

Lionel Barrymore, one of America's foremost actors, will be seen on

the screen here, last showing tonight, at Sherry's in the big feature attraction, "The Upheaval," a new Metro wonderplay. In this production Mr. Barrymore has a role that few artists could handle, as it calls for the widest versatility, ranging from strong dramatic moments to delightful comedy scenes. He has never been seen to better advantage.  
 Metro has surrounded Mr. Barry-

more with an exceptionally strong cast in "The Upheaval," headed by Marguerite Skirvin, one of the most beautiful and gifted young women of the screen.

Charles Horan, who directed Mr. Barrymore in "The Quitter," and who has several Metro masterpieces to his credit, produced "The Upheaval." With an eye looking to the artistic and beautiful in nature, Mr. Horan took his company of players to the Adirondacks where he photographed some truly wonderful scenes. The story called for innumerable gripping scenes, not the least of which is a mass meeting in the town council chamber of a small town. Scores of familiar small-town characters were obtained from many out-of-way localities near New York City, for Mr. Horan is a stickler for realism. In one scene he uses more than three hundred persons and about one-third of them were types he gathered together in the countryside.

The story of "The Upheaval" deals with the politics, gossip, intrigue, romance and the big problems of a small town, with a love story that is at once novel and extremely interesting. It is replete with surprises and contains much that will please the most fastidious audience.

If the vote tomorrow were to be cast for the most popular roofing, instead of for the election of national officials, there would be an overwhelming plurality in favor of CERTAIN-TEED Roofing.

This is indicated by the fact that "The General" makes 1/2 of all the asphalt roll roofing made in America. The balance is "scattered" among 39 other manufacturers.

Each year CERTAIN-TEED rolls up a strikingly increasing number of advocates, because this type of roof is coming to be recognized as the most efficient covering for all kinds of buildings, with either flat or pitched roofs.

## Certain-teed Roofing

is clean and sanitary, costs less to buy, less to lay, less to maintain and less per year of life. It is guaranteed for 5, 10 or 15 years, according to ply (1, 2 or 3). It actually lasts longer.

The secret of this long life lies in the quality of the roofing felt, and the asphalt saturation. Roofings do not wear out—their life depends upon the length of time they retain the saturation. CERTAIN-TEED is made of the best quality of roofing felt; and is thoroughly saturated with the General's own blend of soft asphalt, which keeps the inner saturation soft and prevents the drying-out process so destructive to the ordinary roofing.

CERTAIN-TEED is made in rolls; also in slate-surfaced shingles. There is a type of CERTAIN-TEED for every kind of building, with flat or pitched roofs, from the largest sky-scraper to the smallest residence or out-building.

CERTAIN-TEED is sold by responsible dealers all over the world, at reasonable prices. Investigate it before you decide on any type of roof.
