Australians Eager to see Darcy and Dillion Meet

New York, Nov. 10.—(Special)—Staff Correspondent—Since Les Darcy, the Australian middleweight phenom, defeated George Chip, knocking him cold in the ninth round, the Australian fighting public has been widely clamoring for a bout between Darcy and Jack Dillion, the American light heavyweight. The United Press Australian correspondent declares in a message received today that Darcy has completely run out of opponents worthy of his efforts in his home country and he wants to try his skill against the best America can send. The same message brings the news that Darcy has gone into a military training camp to prepare himself for duty at the front, but states that the authorities allow him to take part in boxing contests. Previous American engagements of Australians, with very few exceptions have proved quite unprofitable for the Australians, but this hardly would be the case in the event of Darcy paying this country a visit. Almost the same thing has happened when the best of the Americans have traveled across the sea to meet the Australians. Eddie Mc Goorty and Jimmy Clabby, however, two grand fighters, have proved unable to stand the rush to the top by the fighting Darcy and Americans realize the same as the Australians, that in Darcy Australia has produced a most wonderful man, one who is likely to take a full out of Dillion or Gibbons if given the opportunity. Snowy Baker, the Australian fight impresario, is trying hard to bring about a boxing meet where Darcy and Dillion or Gibbons, and several other good boxers will get to show their wares. If he succeeds the winner of the bout undoubtedly would have the right to call himself the world's champion. Boxing is enjoying great popularity right now in Australia, in spite of the demands of military service. Every Monday night, Snowy Baker declares is "Martial Night" at the Sydney stadium, at the invitation of Baker, and thousands of soldiers present themselves at the bouts. The war would have little effect on a world's championship match.

Stop the First Cold.

A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough becomes serious if neglected. Hacking coughs drain the energy and sap the vitality. For 47 years the happy combination of soothing antiseptic balsams in Dr. King's New Discovery has healed coughs and relieved congestion. Young and old can testify to the effectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle today at your druggist, 50c.—Adv.

High Cost Keeps Up Even to Graveyard.

Buenos Aires, Oct. 21.—(By mail)—(United Press)—The leasing of graves being, to a considerable extent, the custom in Buenos Aires the municipal intendente has published a notice warning the relatives of tenants in the local cemeteries that rents are due and that those who fail to secure

renewals within 30 days will be evicted. The intendente adds that victims of the evictions will be deposited in the charnel house, or, less elegantly expressed, the general boneyard. The 30 days is now about up. A good deal of the rent has been paid but there is also a good-sized list of delinquents. Their ejection from their graves is expected to begin shortly.

Come In And Let Me Tell You About My New Farm Loan

A 20 Year Amortized Rural Credit Loan
No Commission No Renewals

TO UNION COUNTY FARMERS:-

For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.

Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.

You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.
