cupied 15,000
Square Feet.

Money Invested
\$50,000.

Number of Men
Employed
Nine.

I want your automobile and automobile sundry business.

To merit this business I point with pride to following facts:

I have one of the largest and best equipped garages in Oregon.

I carry one of the largest stocks of automobile sundries in Eastern Oregon.

Eleven years experience places me in a position to advise you as to your needs.

I have sold hundreds of automobiles, and thousands of automobiles have been repaired in my shop under direct supervision of myself.

I have done over a half million dollars worth of automobile business.

I handle the Dodge Brothers, Buick and Cadillac Motor Cars and say without fear of contradiction can give a man the most for his money in their respective classes.

I do business on sound principles and play no favorites and have but one price to all.

SMITH'S GARAGE
