Reveals Whyfore of Carranza's Visit.
Mexico City, Nov. 14.—(By United Press.)—Senorita Salinas, niece of First Chief Carranza is to be married here today, and that, say folks who know, tells the story of the visit of Senor Venustiano Carranza to the United States two weeks ago. She

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Came to buy the trousseau.

When she visited in San Antonio she was with Senora Alvaro Obregon, wife of Carranza's war minister. The pair were carefree and moved about at perfect ease. Senora Carranza found the movie shows a charm but spent most of her time buying, buying, buying.

She confessed too, that it wasn't all for her niece for Senora Carranza likes "pretties" and likes her daughters to have them. Senora Carranza's visit to the United States was the occasion for the spread of many rumors saying the first chief was to flee Mexico. She denied them all flatly.

BALK LINE CONTEST TONIGHT WILL FEATURE SKILLED ARTIST

CHARLES FERRIS.

Local billiard enthusiasts will welcome the announcement that Charles L. Ferris, western balk-line champion, is in La Grande today and will appear in an exhibition this evening at a local billiard parlor. He offers odds of 100 or no count to all comers, and will meet the best player in the city in a 200-point match. Recently at Minneapolis Ferris made a remarkable run of 1,850 and at Boise last week averaged 50 in a 250-point 14-2 balk-line contest, said to be the highest average ever made west of Chicago. The match tonight will also be the finest balk-line contest to be held in La Grande in some time and the event will no doubt be a treat for the local cue fans who seldom have the opportunity of witnessing billiard champions in action.
