

Men Have Shown Keen Appreciation of This Store's Clothing Service

The most attractive thing to men as well as women is value, and the old style clothing shop did not have the outlet, nor the purchasing power, nor the wish to turn all these energies into giving the customer better and larger values.

AT SHERRY'S THEATER TODAY.

SHERRY'S

At Sherry's. Devotees of the motion picture will recall with pleasure the sweet-faced blonde girl who was the suffering heroine of "Shoes" and the maligned victim of society in "Saving the Family Name" and to the following Mary Mac Laren has created as a Bluebird leading lady the news will be welcome that she will return to the Sherry theatre today and tomorrow in "Wanted—a Home," a third feature Lois Weber has created for her special exploitation. This time Miss Mac Laren plays the role of an orphan girl, compelled to begin early in life the battle for an existence. Against great odds she struggles to live righteously and still cloth and feed herself in semblance of respectability and wholesomeness, succeeding unexpectedly in winning the battle and "living happy ever after."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hill's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hill's Family Pills for constipation.

BURNING CIGARETTE PAPER TO PROVE ITS PURITY

A trained corps of demonstrators is travelling throughout the state, visiting tobacco dealers' stores and proving to smokers by actual burning tests the purity of Sweet Caporal Cigarettes. First they produce a roll of high grade imported French paper, and, by burning it, show that it makes no smoke, gives off no odor and leaves behind nothing but a few tiny flakes of pure white ash. Then they burn samples of ordinary cigarette paper, which produce heavy smoke, a pronounced odor, and a black, thick, sooty ash. The superior French paper, it is explained, is used exclusively on Sweet Caporal Cigarettes.

SWEET CAPORAL POPULARITY

Sweet Caporals were the first popular Turkish and Virginia cigarette. They are the only cigarette whose popularity has never waned. Sweet Caporal is the best-loved cigarette that has ever been produced. Sweet Caporal has started millions of men on the right road to cigarette enjoyment.

SWEET CAPORAL

burn a piece of Sweet Caporal paper—it leaves a pure white ash. Ask Dad, he knows.

MAKE THIS TEST

Light a piece of the high-grade imported French paper on Sweet Caporal Cigarettes and note how it burns evenly—completely—odorless—leaving a pure white ash. That's why Sweet Caporal burns evenly, stays lit—no charring nor smouldering and gives you the pure, wonderful flavor of its choice blend of Turkish and Virginia tobaccos. In over forty years, the world has been unable to produce a better cigarette than Sweet Caporal.

PURE TOBACCO FLAVOR OF SWEET CAPORAL

You enjoy the blend of choice Turkish with the ripe, sunny taste of Virginia-North Carolina tobaccos in Sweet Caporal. No other cigarette has this wonderful flavor of "Sweet's." You can smoke Sweet Caporal all day long, and your throat will always feel cool and pleasant.

SOLD EVERYWHERE

Sweet Caporal Cigarettes are sold in every hotel and club in America—and in hundreds of clubs and the best hotels in Europe. Every officers' mess—army and navy—has Sweet Caporals.

ARCADE

Edna Goodrich at Arcade Tonight. "The House of Lies," the Morocco-Paramount photoplay that will be shown only tonight at the Arcade brings forth this problem:

Edna Coleman is the step-daughter of a society matron who candidly explains that she intends to exploit her daughter's beauty in the marriage market. The marriage market with its shallow veneer of modern dress and modern manners but with an amazing similarity of spirit to the old "slave market," only perhaps a little competition.

What will the socially restricted debutante do when she finds it is to the handsome young dramatist that she is to be displayed? To the one she prefers to meet above all others. What will his opinion be of her whom he meets in this manner?

But there is a way that sets all the tangle right and Edna Goodrich playing the starring role finds that only in a great sacrifice is the clear path that leads to happiness.

Lesson for Every Father in New Triangle Drama.

"What are you doing for your boy?" That is the big question many a father will ask himself, after he has seen the new Triangle feature, "The Dividend," which comes to the Arcade Wednesday and Thursday.

The picture shows a son just passing from boyhood to manhood—at the age when every boy needs the companionship of his father, not just a word and a pat on the back now and then, but good long talks, a warm interest in the plans and desires of the boy, an association which is more like that of two good chums than anything else.

"The Dividend" shows, in the course of its powerful and tragic story, just what this fatherly interest in a boy would have meant, if it had been given, and the deplorable results that may follow when a father is too much engrossed with his own affairs to give his son the right sort of companionship.

"See How That Corn Comes Clear Off!"

"GETS-IT" Loosens Your Corns Right Off. It's the Modern Corn Wonder—Never Fails.

"It's hard to believe anything could act like that in getting a corn off. Why, I just lifted that corn right off with my finger nail. 'GETS-IT' is certainly wonderful." "GETS-IT" is the most wonderful corn-cure ever known because you don't have to fool and putter around with your corns, harness them up with bandages or try to dig them out. "GETS-IT" is a liquid. You put on a few drops in a few seconds. It dries. It's painless. Put your stocking on right over it. Put on your regular shoes. You won't limp or have a corn "twist" in your face. The corn, callus or wart will loosen from your toe—off it comes. Glory hallelujah! "GETS-IT" is the biggest selling corn remedy in the world. When you try it you know why.

Come In And Let Me Tell You About My

New Farm Loan

A 20 Year Amortized Rural Credit Loan
No Commission No Renewals

TO UNION COUNTY FARMERS:-

For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.

Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.

You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.
