Waste Paper Basket Empty.
 Since the election our waste paper basket is empty, as empty as the hopes of ten thousand defeated candidates that have been bent on filling it. That basket did valiant service through the last campaign. It seemed that every candidate, every political party, club, organization and league conspired to wreck that basket and get a free notice in the Herald. A twenty-page paper would not have held all the stuff received. No busy editor could read half of it. Hence it went into the waste basket and piled up around until the basket could be located only by the high place in the mound.
 All is changed now. The ribs of the basket show like those of a range steer after a winter of six-foot snow. On one rib is a scar made by the impact of a two-column cut of some aspirant to \$1500 annually. The sides are bent, the bottom bulged, the top spread (where the office devil tried

to get in a foot to crowd down the paper,) but with a rest of a year or two the basket will be good for another campaign.
 And we never missed or appreciated the stuff until it quit coming. Once daily the mail brought enough to equal a rick of the best wood. When the mornings were chilly a platform plank or some candidate's hot reply to some other fellow's hot remark would make the stove roar like an old time stump speech.
 Now it is a choice of buying wood or shivering, which explains why "we" sit at the desk and blow on our fingers while trying pound out on the typewriter an initiative measure changing the election date to March 1st, so the campaign will run during the winter months.—Halfway Herald.

Czar's Favorite Bandmaster Will Direct Music at the Apple Show

Famous Russian Will Bring His Band to Spokane in November.

Philip Pelz, Russian Band Conductor.

PHILIP PELZ, holder of decorations from the czar of Russia and the sultan of Turkey, conductor of the Imperial Band of the Russian court, will make his first appearance in the Inland Empire at the ninth National Apple show in Spokane November 29 to 25, bringing with him his 36-piece band.
 In the United States Pelz has been hailed as the Russian Sousa, principally because of his spirited leadership at the head of his band at the Panama Pacific International exposition in San Francisco last year. He will bring to the apple show, in connection with his band, a saxophone quartet and Mrs. Pelz, who is a soprano soloist. He himself will play cornet solos during each afternoon and evening program every day of the show.
 The Russian conductor has had an interesting career in Europe. In 1902 he was the recipient of a diamond ring with the imperial coat of arms, signifying the gratitude of the czar, and was awarded a gold watch by the imperial cabinet.
 In 1907, as conductor of the 52nd infantry regiment band of the Russian army, Pelz received from the sultan of Turkey the decoration of the fourth degree of the Imperial Order of Medjidie. He also received the personal thanks of Emperor William of Germany following a concert in Berlin in 1906.

ADVENTISTS AN ACTIVE CLASS

Pastor Rittenhouse Points Readers to Some of the Work Done by His Denomination.

Rev. C. H. Rittenhouse, pastor of the Adventist church here, has enumerated many facts concerning his church, and its work. He says: Members of the Seventh-day Adventist denomination contributed a total of \$3,407,298.17 for evangelistic purposes during the past year, according to a report that has just been received by local followers of the church from the world's headquarters of the organization in Washington, D. C. Mr. H. E. Rogers, statistical secretary of the denomination, in his compilation of figures, which are a source of much encouragement to every adherent of the faith, says that this amount consisted of four funds, as follows: Tithe, \$1,968,168.26, or 57.76 per cent; foreign mission funds, \$872,666.84, or 25.61 per cent; home mission funds, \$133,630.56, or 3.92 per cent; other lines of missionary work, \$432,932.51, or 12.71 per cent.

The report further states that donations and investments during 1915 increased the net worth of denominational institutions by \$729,622.67; so that the total contributions for evangelistic work, the increased valuation of church buildings, and the amount contributed for the support of, and investment in denominational institutions during the year constitute a grand total of \$5,066,330.15, an average of \$37.01 for each member throughout the world. For 1914 this average was \$35.45, thus indicating an increase of \$1.56 per member during 1915. The total valuation of all church buildings and denominational institutions at the close of 1915 stood at \$14,254,615.45, an average per member of \$104.14.

Of the total amount there was contributed in North America \$2,542,682.99, or 74.63 per cent. Outside this country the contributions amounted to \$864,615.18, or 25.37 per cent. The amount contributed during 1915 constituted an increase over the amount for the previous year of \$316,813.37, or 10.25 per cent. A further expenditure during the year of \$854,168.71 was made in the support of the denominational schools, and for charitable work in connection with sanitariums and treatment rooms there was expended \$55,294.50.

During the fifty-three years since this work has been organized there have been contributed for all purposes \$35,083,192.93. Of this amount twenty-three and a half million has been tithes; nearly seven million foreign mission offerings, and about four and a half million for other lines. The percentages of these funds stand thus: Tithe, 67.02; foreign missions, 19.92; home missions, 13.06.

At the close of the year there were forty publishing houses and branches, having assets amounting to \$1,587,277.96, employing 698 persons in the production of denominational literature, the sales of which for the year amounted to \$2,174,591.94. This literature is issued in ninety-five languages, in the form of approximately four hundred bound books, four hundred pamphlets, fourteen hundred tracts and one hundred and twenty periodicals. Engaged in the distribution of this literature are 1,986 colporteurs, 839 of whom are employed in the North American Division.

The number of Sabbath schools at the close of the year was 5,225. This number exceeded the number of organized churches by 1,349. This would indicate that this work is reaching out into new territory, and a more rapid growth of the work may be expected for the immediate future. The total membership of the Sabbath schools is 147,784, this number being 10,905 greater than the number of church members. The total contributions for the year amounted to \$412,759.28, or 2.79 per member, this being an increase of 22 cents in the per capita amount. The entire amount was given to foreign missions. Since this branch of the work was started the total contributions received through the Sabbath schools has been \$2,766,356.16, and the amount given to foreign missions has been \$2,366,284.54, or 85.53 per cent of the total receipts.

The number of sanitariums and treatment rooms at the close of 1915 was 40, having a total investment of \$2,774,058.94. Connected with these institutions and also engaged in various departments of denominational work are 131 physicians and the total number of employees is 1,729.

WHAT OUR NEIGHBORS IN CALIFORNIA SAY.

Pasadena, Cal.—"I want to extend to you my heartfelt thanks for the benefits derived from the use of your medicines, also for the kind and good advice obtained. I am a proud mother. I had been a great sufferer; three times I was given up to die—the last time being four months ago. I doctored with several doctors but obtained no relief. Was told that an operation would effect a cure, so I submitted to one, but this proved like all the medicines I had taken—no beneficial. I obtained, and started at once taking 'Favorite Prescription.'

"Four months ago the doctors and nurse said it would be a year or more before I would be able to do my housework, and, of course, I thought so myself as I was not able to walk across the floor for several weeks. I am now able to do my housework and to care for my children and I do not feel as though I could ever thank you enough for the benefits I have received."—Mrs. MABELLE KIPP, 184 South Pasadena Ave.
