SHERRY'S

Sherry's Last Showing Today. "Life's Shadows," a strong and powerful five-part Metro wonderplay, in which William Nigh, the versatile director-author-star, and Irene Hawley, noted for her delineation of difficult dramatic roles, are starred, will be the big feature production at the Sherry theatre, last time tonight. In addition to these two popular stars there is an exceptionally strong supporting cast which includes Robert Elliott, Roy Clair, Will S. Stephens, Kathleen Allaire, William Yearance, Frank Montgomery, David Thompson, Harry Linson, Harry D. Blakemore, Ruth Tarr and Grace E. Stevens. In "Life's Shadows" Mr. Nigh plays the role of an impecunious lawyer in the small town of Purity. He is sadly misunderstood by the natives, although he is gentle and kind-hearted, and ever a quaint philosopher. The other residents do not realize it, but the lawyer's invisible guiding hand is the one that controls the destiny of the little old town, and he is responsible for lifting the community up from the commonplace. He rights many of the great wrongs in the town and brings to the surface the best in all who come in contact with him. It is a decidedly novel story of unusual interest, and has scores of big dramatic moments. Miss Hawley has an excellent role, that of a girl who has come to the town to "go straight." Supreme comedy is blended with pathos with rare artistry. The exterior scenes for "Life's Shadows" were staged and photographed in the town of Allaire, N. J., which is known as "The Deserted Village." At one time it was the foremost thriving center in New Jersey, but more than seventy-five years ago was deserted. All the quaint old houses and stores were used to good advantage by Director Nigh. He also employed many of the real natives there to appear in the big scenes. In many respects it is one of the most interesting productions ever made.

Stomach Trouble and Constipation. Those who are afflicted with stomach trouble and constipation should read the following: "I have never found anything so good for stomach trouble and constipation as Chamberlain's Tablets. I have used them off and on now for the past two years. They not only regulate the action of the bowels but stimulate the liver and keep one's body in a healthy condition," writes Mrs. Benjamin Hooper, Auburn, N. Y.

ARCADE

"ANTON THE TERRIBLE"

A strong Lasky Feature in Which Theodore Roberts Takes the Leading Part With Great Success.

Theodore Roberts and Anita King, as co-stars for the first time, will appear in the Jessie L. Lasky production of "Anton the Terrible" at the Arcade today and tomorrow. The story of this thrilling drama of Russian political intrigue appeared in the Saturday Evening Post and created quite a sensation.

Theodore Roberts has the supreme distinction of being America's leading character actor. In his years on the stage and screen he has been seen in many different roles, in all of which he has been ideal, but it is said that as the head of the cruel Russian Secret Police in "Anton the Terrible" he excels anything he has done heretofore.

The versatile and beautiful Anita King, who recently scored such a success in "The Race," plays the part of the young girl upon whom Anton wishes to revenge himself for her father's crime.

The story has to do with the intrigues in the Russian General Staff shortly after the outbreak of the present European war. Anton, although Chief of the Russian Secret Police, is in reality a German spy. Now a clever woman, to save her lover, succeeds in trapping Anton and confronts him with his guilt, is presented in an unusual and startling manner. The scenes of the picture are laid in Petrograd and on the steppes of Siberia, and the photodrama is produced with more than the usual Lasky excellence, under the personal direction of William C. DeMille, the distinguished dramatist and director.

ROMAN MEAL

is the invention of a physician of wide experience and extensive practice, a specialist in diseases of the stomach and intestinal tract. In inventing **ROMAN MEAL** the doctor had no intention of placing it upon the market. It was meant only for the better feeding of the under-nourished, the anaemic, the growing child, and the **Positive Relief and Prevention of Constipation** amongst the doctor's own patients. So beneficent were the results to these and their friends that its reputation, spread by letter and word of mouth, grew so fast that it was sold in almost every province of Canada and State in the Union within less than two years, without other advertising.

It is the cheapest food upon the market. It is the best food upon the market. It will well repay a trial.

Doctors of all schools recommend it.

Come In And Let Me Tell You About My New Farm Loan

A 20 Year Amortized Rural Credit Loan
No Commission No Renewals

TO UNION COUNTY FARMERS:-

For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.

Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.

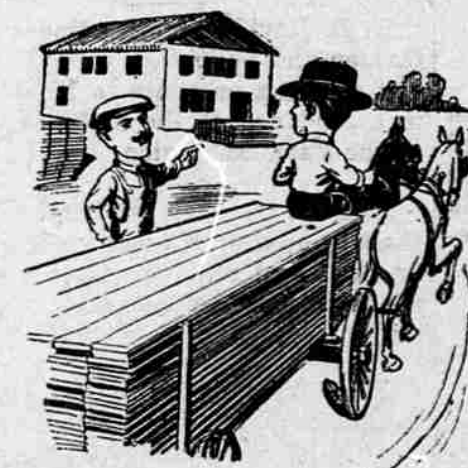

You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.
