Renowned Elders Of Salt Lake Coming

F. Whitney and B. H. Roberts Will
Speak at Stake Conference in La
Grande Sunday.

The regular sessions of the stake
quarterly conference of the L. D. S.
church will be held in the tabernacle
next Saturday and Sunday. Advance
notice from Salt Lake indicates that
Elders O. F. Whitney of the Council
of the Twelve and Brigham H. Roberts
of the First Council of Seventy
will be in attendance. In view of the
prominence and ability of these men
it is anticipated that not only all
members but many non-members of
the church will wish to take advan-
tage of the opportunity to hear
them. In Utah the mere mention of
their names as speakers will insure a
crowded house. A general invitation
will be extended to all to attend.

Convict Claims Invention Keeps
Zepps Going.

Columbus, O., Dec. 7.—(By United
Press)—Would Germany's U-boat
campaign, Zeppelin raids and other
aerial activities cease if it were not
for an Ohio convict-inventor, Dr.

Emerich W. Ritter? Dr. Ritter today
claimed they would "because my pro-
cess for converting natural gas into
gasolene is all that saves them." Dr.
Ritter, imprisoned on a conspiracy
charge, is the inventor of Germany's
liquid fire. Both inventions men-
tioned and others he had perfected
and presented to Germany from his
cell in state's prison here. "There is
no gasolene and Germany's aerial
and undersea activities depend on my
invention. The Deutschland is fed
with my product, made from the great
gas fields belonging to former Am-
bassador Dumba in Austria. I have
planned ten factories for making my
gasolene in this country when I am
released in January. My wife is be-
ing paid \$30 a week by Germany and
our ancestral estates, confiscated in
1848, will be returned to us when the
war ends." Prison officials say Dr.
Ritter really is a genius with chem-
icals.

Goat Raisers in Chicago Today.
Chicago, Dec. 7.—(By United
Press)—This is goat day here and
references to tin cans, or other shoddy
wit involving the dignity of the
whiskered Billy and his nannies are
in bad form. The American Milch
Goat association is meeting. Goat
raisers are here from many states.
Goat getters we have always with us.

The Sweetest Girl In Motion Pictures

MARGUERITE CLARK, FAMOUS PLAYERS STAR IN PARAMOUNT PICTURES.

Marvelous little Marguerite Clark, who sprang into international fame as a film favorite in a day because she was "the smallest star with the biggest personality," has maintained since that day, despite the fact that the day was years ago, the enviable reputation of being "the sweetest girl in motion pictures."
One so frequently reads of a popular player's having been "born on the stage" of parents whose histrionic genealogy goes back to within a few years of the ark that it is refreshing to learn that Marguerite Clark has never been able to find any one even remotely connected with her family who has ever worn grease paint, or, if you prefer more classic allusions, the sock and buskin.
