CAR GOES INTO THE RIVER

Man With Ford Experience Has Grief When He Steps on Wrong Throttle

Enterprise, Dec. 11.—The Record Chieftain says that as Fred W. Falconer was driving in with his new Franklin automobile on Sunday he met a mishap in the canyon. He was about half way through, near the Clark place, when the wheels skidded. Being familiar with the Ford mechanism, he put his foot down intending to place it on the brake, but it pressed the accelerator instead, and the car leaped forward, went over the bank and down a five foot drop into the river.

A little thing like that failed to daunt the driver. He climbed out on dry ground, went to a farm house and engaged a team to pull the car back to the road. Then Mr. Falconer got in and drove on as if nothing had happened. The foot board on one side and the fender over the rear wheel connecting with it were smashed, but otherwise no harm was done.

EXCHANGE NEWS

(Oregon Scout) W. A. Maxwell has permanently retired from the editorial management of the Oregon Scout and will be succeeded in that position by B. F. Wilson and Floyd Maxwell, who have this week taken over the business. Mr. Wilson as the editor and Mr. Maxwell, Jr., as the publisher.

The editorial office has been moved to the next door east of the present location in the same building, but the mechanical department will still be in the same location. Mr. Wilson will also have his law office in connection. The mechanical department will be in the hands of experienced printers who will make the job work an important issue.

(Enterprise Chieftan) Gloomy, threatening weather has been the rule during the last week. Day after day the clouds have hung low over the mountains, where apparently snow was falling. But the storms failed to get into the valley most of the time. Occasional snow flurries and tiny blizzards have alternated with brief periods of sunshine.

(Elgin Recorder)

Mrs. A. Phillips, a pioneer resident of the north end of the flat, fell Monday morning and broke her right hip. The lady had stepped out of the house and slipped on the frozen ground, falling with terrific force.

No little concern is felt for Mrs. Phillips, due to the nature of the injury and her frail constitution and advanced age.

Mr. and Mrs. Chas. Squire were visitors in La Grande Saturday. Cashier Sherwood Williams and his wife spent Friday night in La Grande.

Rev. H. L. Williams was a passenger on Tuesday evening's train en route to La Grande.

(Wallowa Sun)

Mrs. Ralph Nicoles returned from a short visit with her parents in La Grande Sunday.

Mrs. Bruce Cox and son Reed, spent Thanksgiving with Mrs. Cox's sister in La Grande.

Mrs. Wade Clemons was a La Grande passenger Friday.

J. H. Wilson, of Lower Valley, was a La Grande business visitor the first of the week, returning home on Wednesday's train.

(Elgin Recorder)

Real winter weather put in an appearance the first of the week and at present the ground is covered with about three inches of snow. The first sleighing of the season was enjoyed Wednesday, although right in town the depth is hardly sufficient for good sleighing.

Stockmen have started feeding for the winter. Stock, for the most part, are in good condition to enter the winter, but there is a scarcity of feed and with a late spring many will be hard pressed for hay. The hay crop of the past season was considerably reduced, due to the fact that every available patch of wheat was cut for threshing. With an average winter, however, the owners of stock contemplate little trouble.

G. A. R. MEMBERS FEAST AND ELECT OFFICERS

Members of Nathan Baker Post G. A. R. and their wives held their quarterly meeting Monday at the home of Dr. and Mrs. Brownell, at which time officers were elected and an excellent dinner enjoyed. Officers for the ensuing year were elected as follows: Commander, J. H. Barnes; S. V. C., Chas. Chaffin; J. V. C., J. A. Widell; Adjutant, Dr. W. E. Brownell; Quartermaster, D. D. Wortman.

After the election of officers, wives of the members had in readiness a most excellent dinner, to which all did ample justice, "especially E. B. Morelock and Jim Wadell," said Commander J. H. Barnes. Those present were: Mr. and Mrs. J. H. Barnes, Mr. and Mrs. E. B. Morelock, Mr. and Mrs. D. D. Wortman, Mr. and Mrs. G. E. Mayfield, J. A. Widell and Chas. Chaffin. The affair, like all quarterly meetings of that organization, was one long to be remembered by the old sol-

diers and their wives. In attendance were a limited number of invited guests, whose names The Recorder did not obtain.

Mr. and Mrs. Joseph Watkins arrived Tuesday morning from Sweet Home, Ore., for a visit with the latter's sister, Mrs. Vern Hug. The visit of the couple is a double surprise to Mrs. Hug. In the first place she had not been expecting her sister and knew nothing of her marriage, which occurred at Albany, Ore., November 29th. The bride was formerly Miss Lucille McCoy, daughter of Mr. and Mrs. James McCoy, who resided on the flat some 20 years ago. Mr. and Mrs. Watkins will remain here for several days.

J. F. T. (Floyd) Galloway returned home yesterday from an extended trip to points in Idaho, Utah and Nevada. Returning, he came by way of Portland, where he attended the Portland Livestock show. Floyd reports a pleasant trip and found prosperous times in all the points visited.

Mrs. L. B. Tuttle arrived home yesterday from Pullman, Wash., where she accompanied her father, P. O. Shirley, of Enterprise, on a visit to relatives. From Pullman Mr. Shirley went to California for the winter.

Chas. Graham arrived in Elgin the first of the week from his home down Grande Ronde river, at Troy, and has been visiting his parents, Mr. and Mrs. F. E. Graham and with other relatives and friends. He made the journey from Troy to Wallowa on

horseback, and from the latter point came to Elgin on the train. He reports that the stockmen of his section suffered heavily last winter, due to the extreme depth of the snow and long winter. On the Grande Ronde river bottom in that section, where the ground is rarely ever covered with snow, a depth of three feet fell last winter.

NEW HEADS OF DEPARTMENTS.

Mrs. Rosenbaum Assigned to Relief Society, and Mr. Traynor Clerk. Some important business matters came up at the quarterly stake conference of the L. D. S. church yesterday, in addition to the numerous addresses of interest, featured by the one given by Elder Whitney of Salt Lake. Mrs. E. Rosenbaum was relieved of her duties as head of the young women's branch of the Mutual Improvement association, and assigned to an important post in the relief society. Mrs. Pearl Lyman was assigned to Mrs. Rosenbaum's place. Jacob H. Traynor was named as Stake clerk, succeeding Frank C. Bramwell, who has moved away.

Imbler and Alicel Play.

Imbler, Dec. 9.—(Special)—Wednesday evening Alicel's high school quintet met Summerville's boys in a lively basketball game on the floor of Imbler's court. The teams were about evenly matched, ending the first half with a tied score of 12-12, but Alicel led out with better team work in the last half and finished with a good lead, the final score standing

Summerville 17, Alicel 25. Referee Connor, of Imbler, umpire, Webb of Alicel. A schedule of tri-town games is being made out for the winter.

P. E. O. Chapter Organized. A chapter of the P. E. O. was formed Tuesday afternoon in Enterprise by Mrs. Dorothy Seymour of Forest Grove, assisted by the officers of Chapter of La Grande. The initiation ceremony took place at the home of Mrs. Earl Adams who proved a delightful hostess. The following officers were elected: Mrs. Earl C. Adams, president; Mrs. Geo. H. Holmes, vice-president; Mrs. G. M. Gally, recording secretary; Snow Heaton, corresponding secretary; Mrs. S. D. Keltner, treasurer; Mrs. S. L. Burnaugh, Jr., chaplain; Mrs. W. F. Craig, guard; Nanne L. Heaton, journalist.

Land Office Business Good. The fact this is Christmas month has little effect on the volume of business done by the United States land office. Business is keeping up at a brisk pace. Today Mary A. Gilkison, of North Powder, filed a timber and stone claim; John R. McBride, of Treater, filed an additional homestead application; W. S. Yager, of Joseph, filed for an additional homestead; Whitten Quinn, of Joseph, for an additional homestead.

Come In And Let Me Tell You About My New Farm Loan

A 20 Year Amortized Rural Credit Loan No Commission No Renewals

TO UNION COUNTY FARMERS:-

For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.

Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.

You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.
