America's Most Beautiful Bookworm

PAULINE FREDERICK, FAMOUS PLAYERS STAR, IN PARAMOUNT PICTURES.

Here's a bookworm that eats through volume after volume and, moreover, is enabled to digest it. No; the books are not harmed in the least, and Miss Frederick is the only bookworm that has ever been known to exist who does, by reason of her ravenous appetite for books, give millions of people pleasure. Much of her knowledge is gained by experience and much also through her books, which she dearly loves.

Come In And Let Me Tell You About My **New Farm Loan**

A 20 Year Amortized Rural Credit Loan
No Commission No Renewals

TO UNION COUNTY FARMERS:—

For several years I have been working and planning for easier money to loan on good old Grand Ronde farm lands.

Finally I have arranged with one of the largest loaning companies (a company that has \$85,000,000 loaned to the farmers of the West) for a real Rural Credit loan based on a 20-year amortized plan. 20 equal payments of but little more than current interest pays off your entire debt.

You pay no commissions, choose your own date of payment and pay at your own bank. You can pay any amount of your loan at any time. This plan figures you a saving of nearly 3 per cent over the usual farm loan made heretofore in this county. If interested call and let me explain fully.
