### Motherless Lad Is Happy In Germany

Famous Elgin Lad Who Excited Much Sympathy In Comfortable Surroundings—Picture Tells Story of Happiness.

Observer readers will recall that about three years ago an Elgin man deliberately deserted a motherless boy, and that an aunt of the little tot came from Germany to take charge of the infant; they will recall the bitter feeling that arose at the actions of the father, who has since remained out of sight and hearing—and will recall the sympathy that welled up over the little fellow's lot. These same readers will be grateful to know that the little boy is now a sturdy youngster in Germany. He is happy and content and a picture of him in a sailor suit, has reached Mr. and Mrs. Frank George who befriended the relatives at the time of the distressing incident. The lad is happy, well fed and cared for—that much is apparent in the picture.

Mrs. Emily Hecke, it will be remembered, is the lady who came all the way from Germany to fetch the motherless boy to a haven of security, and in sending the post-card she adds a bit of irony in commenting on how the English "like the Germans." She declares the boy is well and happy.

Sinnott Sends Seeds. Congressman "Nick" Sinnott has requested The Observer to assist him in the distribution of the government vegetable and flower seeds allotted to

him for this community by the department of agriculture. This method of distributing seeds through cooperation with the newspapers of his district was first tried by our congressman last year. It worked so satisfactorily that he is repeating it this year. It was found that this method got the seeds in the hands of those really desiring them, and so was far better than the method of sending them out indiscriminately. Congressman Sinnott also requested us to announce that he retained a small quantity of the seed at his office in Washington (Room 494, House of Representatives). Anyone failing to obtain seeds otherwise may thus get them directly by writing him there, so long as the supply lasts.

### MINIATURE MILL IS ADMIRABLE BY PUBLIC

Ben Noyes, proprietor of the Noyes barber shop on Adams avenue, has rigged up a miniature sawmill from an old clock, sticks and an electric motor that is attracting much admiration. The main log saw, overhead shafting and pulleys, a rip saw and a cut off all run in smooth precision; and off to one side the cabin emits its dinner-hour smoke. Both as to detail and skill of workmanship the mill is worthy of the praise it gets.
