CHICHESTER'S PILLS

St. Paul, Minn., Jan. 1.—Minnesota today will suffer the sting of the bitterest blow of the high cost of living. The price of all movie admissions advanced five cents. Enraged movie fans threatened to boycott the movies, and force down the price as was done in Denver.

Inactivity Causes Constipation.

Lack of exercise in the winter is a frequent cause of constipation. You feel heavy, dull and listless, your complexion is sallow and pimply, and energy at low ebb. Clean up this condition at once with Dr. King's New Life Pills, a mild laxative that relieves the congested intestines without griping. A dose before retiring will assure you a full and easy movement in the morning; 25c at your druggist.

Are Your Sewers Clogged? The bowels are the sewerage system of the body. You can well imagine the result when they are stopped up as is the case in constipation. As a purgative you will find Chamberlain's Tablets excellent. They are mild and gentle in their action. They also improve the digestion.

SHERRY'S

"Romeo and Juliet" Last Day.

Fidelity to the greatest dramatic poet of all the ages has been carried to the last degree. Every member of the cast was obliged to learn the words of the play and repeat them, with the proper action, before the camera. If a word was forgotten, the camera was stopped, and the work done over again. The original scenario was made from Shakespeare's "Romeo and Juliet," the greatest love story ever written, by John Arthur, and this was modified by Rudolph De Cordova, and the final work done by John W. Noble, whose masterly handling of the eight-act drama establishes him for all time in the front rank of directors. The genius of Mr. Bushman and Miss Bayne has never been so well exemplified as in the roles of the immortal lovers. The Bushman and Bayne production of "Romeo and Juliet" brings the soul of Shakespeare to the hearts of the people.

Prefers Chamberlain's.

"In the course of a conversation with Chamberlain Medicine Co.'s representative today, we had occasion to discuss in a general way the merits of their different preparations. At his suggestion I take pleasure in expressing my estimation of Chamberlain's Cough Remedy. I have a family of six children and have used this remedy in my home for years. I consider it the only cough remedy on the market, as I have tried nearly all kinds."—Earl C. Ross, Publisher Hamilton County Republican-News, Syracuse, Kan.

ARCADE

"THE RAINBOW PRINCESS"

Five-Part Famous Circus Drama—Reviewed by George W. Graves in Motography.

Ann Pennington's second appearance in pictures is decidedly auspicious. In the role of the Rainbow Princess, a dainty circus performer who is used by her corrupt employers as the means to a dishonest end, she has a part to which she is eminently suited and in which she easily makes herself the center of attraction. The star has a chance in the course of the picture's progress to execute before her screen audiences some of the grotesquely fascinating steps of the Hula Hula dance with which she captivated so many audiences at the "Follies." This diversion is as pleasing as is another novelty—a parachute descent from a large balloon, which was particularly well performed and photographed. The jaunty circus atmosphere, the humorous as well as the sombre side of this life, is nicely denicated. There is much in the film that will appeal to children.

Briefly, the story, by Shannon Fife, is that of an unfortunate child of the circus who finds herself at the mercy of the harsh proprietor. The latter palms her off on Judge Daingerfield as his lost granddaughter, and his men adhering to a plausible story which they have doped up. For his guardianship the circus manager is well paid. Later on, however, the judge realizes he has been duped, much to his chagrin. Not satisfied with the success of this enterprise, the show people attempt to rob the judge's safe. In this attempt the circus manager is shot, but before his death he admits that the girl is innocent of any guilt in the plot. Just before the robbery, the Rainbow Princess, of her own accord, has gone back to the old life. So it is with delight that the judge's adopted son, at the suggestion of the lonely old man, brings the girl back. William Courtleigh Jr., appears as the judge's adopted son, a part which is not especially conspicuous, but which he handles with ease and effectiveness. Grand Stewart makes a lovable and imposing character of the old judge. Charles Sutton is a good heavy. There are some excellent types in the large cast, including the two circus midgets and the "fat lady." J. Searle Dawley's direction measures up to a very good standard.

This photoplay was reviewed last night at the Arcade where it will be shown today and tomorrow and it certainly ought to please the picture fans of La Grande as it is certainly a remarkable picture.

Soon Over His Cold.

Everyone speaks well of Chamberlain's Cough Remedy after having used it. Mrs. George Lewis, Pittsfield N. Y., has this to say regarding it: "Last winter my little boy, five years old, was sick with a cold for two or three weeks. I doctored him and used various cough medicines but nothing did him much good until I began using Chamberlain's Cough Remedy. He then improved rapidly and in a few days was over his cold."

The spirit of the season prompts us to express to you our appreciation for the business entrusted to us during the past year. May you and yours enjoy a very Happy New Year brimming with the good things of life.
