case of a South Carolina woman who picks and cures pine needles from her own grounds, and later weaves them with raffia into delightful baskets, serving-plates, and coasters, which she sells to many distant shops. This pine needle industry is possible in any part of the country where the pine trees are found. The needles when dried in the light turn a tobacco brown, while those dried in the dark retain their green tone; therefore many beautiful combinations are possible through this simple and easy means of obtaining variety of color.

"A young woman in Maine started, without realizing it, a pretty big thing when she decorated rather crudely with her paint brush some ten-cent peanut straw hats, which she bought at her local country store. These hats, painted with bluebirds, or darning flowers, were sold first to her neighbors, and then, as the demand became apparent, the industry increased, and she improved the quality of her goods by using better grade of hats, and sold them to many stores at a distance."

TOURNAMENTS OF ROSES AT PASADENA MONDAY

Pasadena, Cal., Jan. 3.—(United Press)—The Tournament of Roses, Pasadena's beautiful and unique mid-winter fete, was the big attraction on New Year's day and thousands from every state in the union are here, clad in sumptuous garments, and enjoying a floral festival possible only in Sunny Southern California at this season.

The floral parade at 10:30 Monday found thousands at points of vantage along the line of march for the procession of beauteous splendor. Roses, violets, carnations, geraniums, all products of Southern California's out door winter will be masked and banked in every conceivable form in floats; myriads of blossoms will be showered upon the spectators by pretty girls in filmy costumes; and school children, marching clubs, bands and other organizations will add their share to this midwinter festival of flowers.

In the evening, a grand ball, attended by the social leaders of the Pacific Coast and the East, will bring the glorious day to a joyous close.

NEIGHBORLY ADVICE.

Freely Given by a La Grande Citizen. When one has suffered tortures from a bad back and found relief from the aches and pains, that person's advice is of untold value to friends and neighbors. The following neighborly advice comes from a La Grande resident.

Mrs. F. Burgess, 1405 Ninth St., La Grande, says: "I was subject to lumbago. At times I could hardly get about and the pain in my back was so severe when I got down, I could hardly straighten up. Sharp pains, like a knife sticking in my back, took away my breath for a minute. Doan's Kidney Pills were recommended so highly that I got a box and found them beneficial. Four boxes permanently cured me of lumbago and since then, I have never had any signs of backache. I could not advise anyone to take a better medicine for lumbago than Doan's Kidney Pills."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burgess had. Foster-Milburn Co., Props, Buffalo, N. Y.—Adv.

WE ARE NOT TRYING TO BORE A BIG HOLE WITH A SMALL AUGER. HOWEVER, WE ARE HERE WITH THE GOODS. THE BEST LINE OF PIANOS REPRESENTED BY ANY ONE FIRM. THIS IS WHY WE STAY WHILE OTHERS COME AND GO.

WE INVITE COMPARISON WITH ANY LINE FOR PRICES AND QUALITIES.

This is what appeals to the customer making a life-time purchase. Buy of the dealer that is here to stay. Others claim to stay, do they? Call and examine goods, find fresh goods from the different factories, thus eliminating chances of being loaded up with goods that would discredit any house.
