Inactivity Causes Constipation.

Lack of exercise in the winter is a frequent cause of constipation. You feel heavy, dull and listless, your complexion is sallow and pimply, and energy at low ebb. Clean up this condition at once with Dr. King's New Life Pills, a mild laxative that relieves the congested intestines without griping. A dose before retiring will assure you a full and easy movement in the morning; 25c at your druggist.

To mark cattle for identification an inventor has patented stud buttons that can be clamped through their ears.

Prefers Chamberlain's.

"In the course of a conversation with Chamberlain Medicine Co.'s representative today, we had occasion to discuss in a general way the merits of their different preparations. At his suggestion I take pleasure in expressing my estimation of Chamberlain's Cough Remedy. I have a family of six children and have used this remedy in my home for years. I consider it the only cough remedy on the market, as I have tried nearly all kinds."—Earl C. Ross, Publisher Hamilton County Republican-News, Syracuse, Kan.

A typewriter that produces ordinary manuscript and that written in Braille embossed characters at the same time has been invented by a Frenchman who was blind for a time.

Stomach Troubles.

If you have trouble with your stomach you should try Chamberlain's Tablets. So many have been restored to health by the use of these tablets and their cost is so little, 25 cents, that it is worth while to give them a trial.

The Six Per Cent Limitation.

One of the features of the coming session of the legislature that will prevent the meeting being one glad round of pleasure, is that in connection with the passing of six per cent tax limitation law practically all the departments are demanding increased appropriations. On the one hand the people have said to the legislature: "You must conduct the affairs of the state within a certain limitation of funds." On the other hand the departments are already telling the people of the state they must have more money, or their branch of the state's business will suffer. It is nice to be an Oregon legislator and draw three big plunks every day while facing demands for more coin by everyone else. The members of the legislature can hardly keep even and live within their salaries, but they have to do it. They might call attention to themselves as a living example that some departments have to stay within the limits prescribed by law.—Salem Capital Journal.

Phoenix, Ariz., is to destroy a thousand gallons of liquor by sprinkling streets with it. Which is no way to treat a water wagon.—Salem Capital Journal.

Are Your Sewers Clogged?

The bowels are the sewerage system of the body. You can well imagine the result when they are stopped up as is the case in constipation. As a purgative you will find Chamberlain's Tablets excellent. They are mild and gentle in their action. They also improve the digestion.

To lessen the moisture that skirts accumulate in rainy weather a woman has invented a panel of waterproof material to be fastened within them, provided with cuffs to slip over a wearer's ankles.

Soon Over His Cold.

Everyone speaks well of Chamberlain's Cough Remedy after having used it. Mrs. George Lewis, Pittsfield N. Y., has this to say regarding it: "Last winter my little boy, five years old, was sick with a cold for two or three weeks. I doctored him and used various cough medicines but nothing did him much good until I began using Chamberlain's Cough Remedy. He then improved rapidly and in a few days was over his cold."

To obviate the noise of pneumatic riveting machines one has been invented that squeezes rivets into place with a pressure of a ton.

Don't Let Skin Troubles Spread.

Red, pimply skin that itches and burns is embarrassing, and gets worse if neglected. Bad skin is a social handicap and a constant source of worry. Correct it at once with Dr. Hobson's Eczema Ointment. This healing ointment kills the germ, soothes the irritation and quickly restores your skin to normal. For babies suffering the tortures of eczema, or for grown-ups who have long fought chronic skin ailments. Dr. Hobson's Eczema Ointment is a guaranteed remedy. At your druggist, 50c.

"CHICKENS SHOULD BE AMUSED" SAYS EXPERT

Dallas, Tex., Jan. 5.—(United Press)—Chickens should be amused. The feathered kind, that is.

Authority for the above statement today is Mrs. T. P. Marshall, field worker for the extensive service of the Texas Agricultural and Mechanical college.

Chickens hatched in an incubator find life dull and uninteresting because of the mechanical way in which they are ushered into the world, according to Mrs. Marshall.

"One way of amusing them," she says, "is to pile fine straw on the floor of the breeder and let them tear it down. They seem to enjoy it and it teaches them to scratch."

Backache Just Like a Toothache!

Dear Mr. Editor—Sometime ago I had backache very bad; it would ache just like a toothache. I tried a new discovery of Doctor Pierce's, called "Anurie." This is for kidneys and backache. I soon felt relieved of all backache and had no more pain, and I hope others troubled in the same way will try this wonderful new remedy. Yours sincerely, MRS. LINCOLN STEARNS.

NOTE: It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "Anurie," has been discovered by Dr. Pierce, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of articular or muscular rheumatism—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, renal calculus. "Anurie" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteries, due to the excess of uric acid in the blood and tissues. Dr. Pierce, who is director and chief physician at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has been testing this wonderful medicine for the relief of over-worked and weakened kidneys. The relief obtained by sufferers has been so satisfactory that he determined to place "Anurie" with the principal druggists in town where people could get this ready-to-use medicine. "Anurie" is not harmful or poisonous, but aids nature in throwing off those poisons within the body which cause so much suffering, pain and misery. Scientists assert this remedy is 37 times more potent than lithia.

For Diabetes and Bright's Disease this remedy is building up a reputation as good as Dr. Pierce's other well-known medicines which have been proven reliable during nearly fifty years, such as Doctor Pierce's Favorite Prescription for the ills of women, Doctor Pierce's Pleasant Pellets, the liver regulator, and Doctor Pierce's Golden Medical Discovery for red blood.

"The Present World Crisis In Prophecy"

A. Allan Yerex, lecturer for the Associated Bible Students of Brooklyn, N. Y., will deliver a vitally interesting lecture Saturday night Jan. 6 and Monday night Jan. 8, each night at 7:30 p. m., at the Council Chamber, City Hall.

Very many are sorely perplexed with respect to this present world crisis. Mr. Yerex is convinced the only solution is found in the Bible, where he declares are to be found many surprises for the careful student in connection with this subject.

All are cordially invited to hear his presentation of both the prophetic and economic evidences. The lecture is entirely free and in the interest of the people.
