

WE HAVE SECURED THE AGENCY FOR ARMOND'S COMPLEXION POWDER

Armond's is the most remarkable powder we have ever sold. It has been sold in America for only a short time. It is a powder that can be mixed with water and applied as a liquid for evening wear. It does not show. It stays on until "you wash it off". It contains no rice to enlarge the pores; no chalk to dry the skin; nor any lead to make black heads. It will not dust into your eyes, as many powders do. It is a pure perfect powder. The price is

50c A BOX

If you don't find it better than any powder you ever used we want you to bring it back and exchange it for anything else you want, or your money. Leave us your name and we will send for a sample for you.
