"Mushing" To Be Hard Hit In Campaign Started Today

New York, Feb. 9.—(United Press)—The cudgel against "mushing" was taken up with a vengeance here today by Secretary Charles W. Dietrich of the Central Y. M. C. A. He defined the term as "that hugging, kissing habit" of young men and women at parties these days.

"It's very bad from every standpoint, this dark and dangerous 'mush' party," said Dietrich. "Yet it is a great habit among young folks today.

"If you 'mush' too much now you will get tired of it before you ought

to. They didn't have anything of that sort when I was young and I know of it now only through my sons, who by the way have only heard of the 'mush' parties; they don't attend them.

"Don't carry your demonstration too far even when you are engaged. Use your kisses for affection, not for passion; and your arm for protection, not for spooning.

"Marriage certificates of health are advisable. My son-in-law gave me one, although I did not demand it."

Time went on and the youth gradually quit fighting. He couldn't whip any one who amounted to anything. Then one day he listened to a street evangelist and a new light was on. Rev. Kid Wedge started from there and he has been knocking out the devil ever since.

Recently there came the news from Rhineland, Wis., that Kid Wedge had applied for and been granted a license to conduct boxing bouts in a church of which he was pastor. Rev. Wedge, himself, stated that he was going to teach the young boys in his Sunday school how to box.

Spectators and boxers will be members of the church and the Sunday school.

Rev. Wedge has organized an amateur athletic class in connection with his Sunday school and takes personal charge of boxing classes.

President Irigoyen of Argentine May Follow Thomas Jefferson and Meet Company in Slippers—Wouldn't That Be a Terrible Shock to the Argentine "Elite?"

Buenos Aires, Jan. 20.—(United Press by Mail)—Through Minister of the Interior Gomez, President Irigoyen today served notice on congress that he proposes to lead as unostentatious a private life as he likes even if he is chief magistrate.

Criticism of some of his personal economies developed in connection with the budget discussion in the chamber of deputies. Although the president has assigned all his salary to charity, the critics expressed the opinion that so rich a man ought, as president, to assume somewhat more state, considering the official position he occupies.

"President Irigoyen," said Gomez, "assumed his great responsibilities at the call of the people but, as president, he does not intend to abandon
