DOWNWARD COURSE.

Fast Being Realized by La Grande People.

A little backache at first. Daily increasing 'till the back is lame and weak. Urinary disorders may quickly follow; Dropsy and often Bright's disease. This frequently is the downward course of kidney ills. Don't take this course. Follow the advice of a La Grande citizen.

Mrs. C. I. Johnson, 802 Spring St., La Grande, says: "I am subject to kidney disorders at times, causing a dull pain across the small of my back. My head aches and at times I get so dizzy that I can hardly walk across the floor. During this trouble, my kidneys are very irregular in action and I feel miserable all over. After I have taken a box or two of Doan's Kidney Pills, however, I am free from kidney trouble. My back stops aching, my kidneys act regularly and in every way I feel as well as ever."

1917 Taxes Are Now Payable

Tax Rolls Turned Over to Sheriff Warnick Monday by County Assessor Couch.

It's just one thing after another—from the taxpayers' viewpoint. Following the worry of meeting the 1916 tax comes the announcement that the 1917 tax is now due and payable. Monday the county assessor turned over the 1916 assessment roll which becomes the 1917 tax roll. The total tax for this county for 1917 is \$415,000.46. These taxes are now due and payable and if the first half is not paid by April a penalty is imposed. If the h. c. of l. permits the property owner to dig up half by April then he has a respite until November when the second half becomes due. To paraphrase, "Taxes you have always with you." The delinquent tax list is running in the papers now.
