Had Terrible Pains in Kidneys and Back.

Dear Mr. Editor—I want to write you about "Anurie." I was very sick, could hardly be up; I was in bed most of the time. Had terrible pains in my kidneys and back, so much so that I had to scream sometimes when I was sitting down and wanted to get up, the pain was so great. I had tried a well-known kidney medicine but it didn't help me. I heard of Dr. Pierce's Anurie Tablets so I thought I would try them. I took only one box of the Tablets, and my back is now free from pain and I can work and take care of my family. I feel I cannot say enough for this medicine. Sincerely, Mrs. Wm. Keller.

NOTE: This "Anurie" is adapted especially for kidney complaints and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine and urinary troubles. The physicians and specialists at Dr. Pierce's Great Institution, at Buffalo, N. Y., have thoroughly tested this prescription and have been with one accord successful in eradicating these troubles, and in most cases absolutely curing the diseased kidneys. Patients having once used "Anurie" at Dr. Pierce's Invalids' Hotel, have repeatedly sent back for more. Such a demand has been created that Dr. Pierce has decided to put "Anurie" in the drug stores of this country, in a ready-to-use form. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment.

Dr. Pierce's Golden Medical Discovery is a blood cleanser and alterative that starts the liver and stomach into vigorous action. It thus assists the body to make rich, red blood, which feeds the heart, nerves, brain and organs of the body. You feel clean, strong and straggling.

WAR WOULD NOT HURT BASEBALL

BY H. C. HAMILTON (United Press Staff Correspondent.) New York, Feb. 16.—Speculation as to the probable effect of war upon baseball has been prevalent in New York since the United States broke diplomatic relations with Germany.

Without exception every man highly connected with the national game has given his word that he will be found doing his utmost for his country.

Dave Fultz, president of the Baseball Players' Fraternity, has declared war would automatically suspend the hostilities between members of his organization and the baseball magnates, but he makes it plain that the issue would again be taken up at the earliest possible moment.

Speculation of this sort has turned minds of veterans back to days of the Spanish-American war, and has revived tales of baseball accomplishments during the Civil war period. It has been pointed out that every sign of hostilities between this nation and another has always been a boon to baseball, due to the fact that the United States army fosters and encourages athletics in every manner possible. Regimental baseball teams always are organized when the opportunity presents itself.

The period following the Civil war saw the birth of baseball in its mightiest form. Returning soldiers continued to play the game and, as it gradually progressed, it became the entertaining sports of thousands.

The Spanish-American war saw the same conditions. Men, returning from Cuba or from concentration camps, were sports lovers. They sought out baseball and other forms of amusement with such avidity that unprecedented eras of prosperity followed. The coming of the Federal league was the only thing to kill the wonderful push this concentration of men had given the sport.

Possibly hostilities, or preparation for defense by organization of armies would have the same effect, hard as it might be in other ways.
