

THE PROOF OF THE PUDDING IS IN THE EATING

THE PROOF OF THE WORTH OF AN AUTOMOBILE IS THE SERVICE IT RENDERS IN THE HANDS OF THE OWNER. TO DETERMINE THE WORTH OF DODGE BROTHERS CARS WE MAILED TO EACH OWNER A LETTER ASKING HOW THEY WERE PLEASED WITH THEIR CARS AND THE SERVICE THEY HAD RECEIVED. THESE ARE THE ANSWERS. READ THEM OVER AND DECIDE FOR YOURSELF WHETHER YOU THINK THEY REFLECT THE GOODNESS FOR WHICH DODGE BROTHER'S CARS ARE NOTED:

Summerville, Ore., December 22, 1916.

Mr. Smith:—

In regard to the DODGE CAR, I think they are the best car for the price on the market. I am perfectly satisfied with mine. It has not given me one minutes trouble. Have run nearly 3000 miles and haven't been out one cents cost only for gas and oil.

Yours truly,
(Signed) J. W. TUTTLE.

Smith's Garage,
La Grande, Oregon.

Gentlemen:

In reply to yours of recent date, will say that the DODGE roadster surpassed my expectations. Have run about seven hundred miles without a dollar for repairs, never got stuck or even warmed the engine; that is so one could notice it. That is the reason I bought the DODGE so I could climb the hills without stopping to cool the engine.

Yours truly,
(Signed) OLIVER REEL.

Dear Sir:

The DODGE CAR I received in June of this year has not given me any trouble. I have run the car about 2000 miles and it has made twenty miles per gallon of gas on an average since I got it.

Dear Sir:

I wish to tell you of my perfect satisfaction with the DODGE BROTHER'S CAR. Mr. Sibley of Salina, Kansas, who is an automobile dealer expressed my sentiments exactly, when he wrote me, "I am glad to know you have purchased a DODGE CAR. It is the best four cylinder car on the market." This man does not sell the Dodge. I find it easy riding, simple in construction, light on oil and gasoline and has all the trimmings of a palace on wheels. A DODGE for me.

Yours truly,
(Signed) A. B. BLOOD.

After having used the DODGE BROTHER'S CAR for seven months, we are very well pleased with it. Have found it up to our expectations in every way. It has never failed us no matter how steep the hill and is very economical in the consumption of oil and gas.

Dear Sir:

Your favor of the 16th inst. received regarding the DODGE CAR. I will say in reply that I am well pleased with the car and it has given entire satisfaction. The service is fully up to my expectations. I regard the DODGE the best car on the market for the money and equal if not better than many of the higher priced cars. I shall recommend the DODGE CAR to any of your prospective buyers.

La Grande, Ore., Dec. 27, 1916.

L. C. Smith,

Dear Sir:

Received your letter some time ago and will say my car gives good satisfaction. I am pleased with it and think the DODGE is the car for country use as it is not too heavy like some others.

I am well pleased with mine.

Respectfully,
(Signed) J. A. MCKENZIE.

La Grande, Oregon, Jany. 15, 1917.

Mr. L. C. Smith,
City.

Dear Sir:—

Replying to above inquiry would say, I have driven my DODGE CAR 7000 miles and same has given very good satisfaction. I got over 6000 miles from the original tires and get good mileage on gasoline consumption. I have had absolutely no trouble with the rear system, no transmission or motor trouble and have never bought any new parts whatsoever.

Very respectfully,

Dear Sir:

In reply to yours of Dec. 16th, will say we are well pleased with our DODGE CAR. It is just as good if not better than we expected. While we have the most difficult hills to climb of any one, we have never had any trouble to climb them.

Yours truly,

Dear Sir:

The DODGE BROTHER'S CAR which I purchased last May has given perfect satisfaction in every way. Prospective buyers make no mistakes if you buy DODGE.

La Grande, Ore.

Gentlemen:

In the matter of your request regarding the DODGE BROTHER'S CAR I purchased from you last season, will say this; having been my first year driving a car and not having any experience before along these lines, I'm not in a position to speak in a practical way regarding the operation of an automobile. I will say this, however, that I have had a very successful season with the DODGE CAR in every way and have not had one dollar expense during the season. It has met every condition and as a hill climber I do not believe it has an equal in any other car, power considered.

Yours very truly,
(Signed) J. A. RUMBLE.

La Grande, Ore., Jany. 2, 1917.

L. C. Smith,
La Grande, Ore.

Dear Sir:

Replying to your letter of recent date, will say that I am more than satisfied with my DODGE. I never expected to get a car that I could run over 3500 miles over all kinds of roads, without some extra expense for repairs, but such has been the case. In my opinion they cannot be beat for economy and service and were I to buy another car it would most certainly be a DODGE.

Respectfully
(Signed) August Erickson.

North Powder, Ore., December 18, 1916.

L. C. Smith,
La Grande, Ore.

Dear Sir:

You ask me to state if the DODGE BROTHER'S CAR I bought of you has given satisfaction, I am sorry to say it has not. I don't know if it is the car, as all others I have talked to seem to be satisfied. I don't seem to get the power out of my car on any of the gears that I should, nor the miles to the gallon of gas that I should. Twelve or fourteen miles is the best.

The service at your garage has been perfectly satisfactory.

Yours truly,
(Signed) R. W. PARKER.

La Grande, Ore., Dec. 18, 1916.

L. C. Smith,
La Grande, Ore.

Dear Sir:

At this time I desire to extend to you my appreciation for the interest you took in me last spring at the time I purchased my DODGE CAR. It has given me perfect satisfaction ever since I have been using it. I have driven it this season, so far, about 5500 miles and during this time I have driven it over some of the worst road that we have in this country, including four trips into the Sheep Ranch over Fly Hill which no doubt you know is a bad hill and you also know what kind of a machine it takes to climb it, but I had no trouble of any kind and I believe that I could pull an extra car up there in case it was necessary.

Assuring you that I appreciate my DODGE CAR and desire to speak a good word for it, I remain
Very truly yours,
