ANIMAL, BIRD AND FISH LIFE

Never Shown to the General Public Before
Exceptionally Rare Pictures

EXPLANATORY TALK BY

William L. Finley

State Biologist, With Fish and Game Commission

Mr. Finley is a famous naturalist.

These moving pictures of Oregon song birds and game birds in their native haunts were taken by Mr. Finley under the direction of the Oregon Fish and Game Commission.

They have been shown in all the large Eastern cities, and everywhere they have been presented have been pronounced the most wonderful ever taken.

They also show animal life in many interesting forms.

The whole spectacle is interesting and entertaining.
