The divorce question is exploited, demonstrating, that if divorce there must be it were far better to let well enough alone. In "The Piper's Price" the man and woman who were divorced did not do this, and the result was untold misery for the faithful wife who was effected by the folly of one man who was not brave enough to abide by his own decision. Four principals and two housemaid characters are shown upon the screen in "The Piper's Price," but this small cast proves by the force and character of their artistry that numbers are not necessary to the portrayal of an interesting story when the characters are skillfully played and combined in effective delineations.

SHERRY'S

For the evil we do we must pay, right here on earth, is another way of saying that we cannot escape our just deserts. This is proven through convincing dramatic construction in "The Piper's Price," to be the attraction at the Sherry theater today and tomorrow with beautiful and talented Dorothy Phillips playing the leading role.

Imbler News Notes

Washington's Birthday Was Fittingly Celebrated by School Children—Basketball Continues to Attract Imbler Fans.

Imbler, Ore., Feb. 27.—(Special)—H. L. Moss, N. A. Cramer, Ethel Pearson and Effie Snider were in La Grande Saturday attending the teachers' institute.

Mr. and Mrs. Ray Norval have returned from Portland, where they went a few weeks ago for Mr. Norval's health.

Manager Wiggins is fitting up the basketball hall as his movie headquarters, so the boys and girls are playing their final games this week.

The primary rooms of the school appropriately celebrated February 22 with a patriotic program, and an address by the school clerk, Sherwood Williams. On Friday the K. I. D.'S of the seventh and eighth grades gave the following program: song, "Mt. Vernon Bells"; recitation "Visions of Lincoln," Clark Blackinton; stump speech, "Shorge Washingtons," Ted Larsen; "Gettysburg Address," Vina McKinnis; vocal solo, "Wakeup America," Rhoda Childers; recitation "Like George," Hazel Martin; stump speech, "Lincoln," Ralph Cleaver; duet, "George Washington," Hazel Martin and Maggie Day; reading, "Light Literature," Leo Doering; recitation, "O Captain, My Captain," Florence Westenskow; recitation, "Lincoln," Marjorie Fields; debate, "Resolved, That the negro has not received justice in the south."

Affirmative—Vada Squire, Irvin Westenskow, Annie Crouser.

Negative—Georgia Marshall, Lucy McBride, Kenneth Billings.

The debaters had been preparing for some time, and after debating an hour, had to quit for lack of time. The decision of the judges favored the

affirmative. Members of the club team won, 50 to 35, against the fast Wallowa basketball team Thursday evening. Stringham played his usual spectacular game and Rollins, center, showed up splendidly in worm fence dribbles and long shots for baskets. Wallowa had a fast team and put up a good game. Saturday evening the high school teams of Imbler and Elgin played an interesting game, the visitors emerging from the first half one point to the good, but the local boys made a whirlwind finish and when the whistle called time up, had changed the score to 35 as against 25 for the Indian valley boys. Frank McKennon, of Alice, refereed both games. "728" proved to be a lucky number Friday night when the high school presented their play, "728, or Casting the Boomerang." Nearly every character found an opportunity to feel the return of his little missile (boomerang) during the course of the two-hour comedy, which was highly praised as very creditable for amateur work. Nearly 200 tickets were sold and the students will have about \$25 after paying expenses. Success of the play is due largely to the coaching and planning of the English teacher, Mrs. E. E. Hurley.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
