CONNIE MACK'S TEAM ENIGMA OF MAJORS

Philadelphia, Feb. 28.—(United Press)—The enigma of the baseball world is Connie Mack's team of Athletics. Whether it will begin to show something of the form predicted for it by 1917 by Mack when he began his historic dismemberment of the famous old Athletics is a puzzle that many baseball followers are trying to fathom today.

Mack has the basis for a good baseball club. Unless he deliberately wrecks what he has accomplished since Eddie Collins and his collaborators departed from Philadelphia he undoubtedly will have a better chance to finish out of eighth place this year, than was the case in 1916.

Mack has pieced together a very fair team of college baseball players. He has tinkered here and there, adding some minor leaguers and retaining some cogs in the old machine until he has a club that cannot be counted the easy victim of every other club by any means.

The feat of the Athletics in twice humbling the Yankees in a single day last summer was considered a huge joke by a great many, but there is

more than one critic of the game who saw in that a foreboding of things to come, a return to power that once rested in the silent brain of Mack.

Mack has an infield that lacks a great deal of being a flivver. Almost any manager in the American league would be willing to part with many dollars to have Stuffy McInnis holding down first base. At second base a youngster, Grover, is destined to perform and he has built up something of a reputation.

In young Lawton Witt, the 20-year-old youth picked up more than a year ago by Mack, the elongated leader has one of the most promising infielders who has broken into the American league in years. He is aggressive, can hit and field like a fiend and uses his head.

On third base Mack promises to place a minor league recruit named Bates. Advance notices speak very highly of him.

The outfield will be composed of Bodie, Thrasher and Strunk have been holdouts and, while Mack has promised the veteran Strunk a raise, he has promised Bodie a long vacation unless he signs. Thrasher is a recruit, but is said to be a powerful hitter and a clean, fast fielder. It is a hard hitting

trio, with experience in two of the gardens.

The pitching staff undoubtedly will see no new faces. Joe Bush and Elmer Myers undoubtedly will bear the brunt of the burden, with several promising colts to fall back upon. Two more pitchers who could perform consistently would make the Athletics a greatly feared club. Johnson and Nabors are the most promising other members of the staff.

Wally Schang, Meyers, Ricinich and Haley will fight for catching berths.

The Athletics present one of the strongest hitting combinations in baseball. They'll score plenty of runs against almost any kind of a baseball club. If they can get reasonable pitching it is fair to assume they will not finish in last place.

LOOK OUT FOR THE NEW \$1.00 BILLS
Washington, Feb. 28.—(United Press)—If you are in a hurry and have not seen one of the new dollar bills, don't mistake it for a "V". Complaints were made to Treasury Department officials today by persons who have been short changed in accepting new ones in a roll of five-dollar bills.

THE BEST TEST Is the Test of Time.
Years ago this La Grande resident told of good results from using Doan's Kidney Pills. Now Mrs. S. E. Lyman of 1308 Monroe St., confirms the former statement—says there has been no return of the trouble. Can La Grande people ask for more convincing testimony?
Mrs. Lyman says: "I can in all earnestness recommend Doan's Kidney Pills. I have used them on several occasions with the best of results for backaches and kidney trouble. I have never found anything that acts so quickly and surely on the system and regulates the kidney action like Doan's Kidney Pills. I truly believe they are the best of all kidney medicines." (Statement given November 23, 1912.)
On May 26, 1916, Mrs. Lyman said: "My estimation of Doan's Kidney Pills hasn't changed in the least since I gave my recommendation four years ago. The lasting cure I got is proof that they are a reliable medicine."
Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lyman has twice publicly recommended. Foster-Milburn Co., Props, Buffalo, N. Y. Adv.

"SAVE THE BABIES"
These are authentic quotations from the pamphlet on babies by Dr. L. Emmett Holt of Columbia University and Dr. Henry L. K. Shaw of Union University.

At nine months the average child requires 30 ounces of milk daily, which should be diluted with 10 ounces of water. To this should be added two even tablespoonful of sugar and 2 ounces of lime water. This should be given in five feedings. The sugar added may be milk sugar, or if this cannot be obtained cane (granulated) sugar or maltose (malt sugar).
