ARCADE

ARCADE THEATER TODAY

College days, a long auto trip across the continent to California, a beautiful little waif who, tramping the dusty road, meets, and is given a lift in "The Right Direction" by the rich man's son—these all play important parts in the Pallas-Paramount photoplay "The Right Direction," coming to the Arcade theater today only.

This Pallas picture is a story with a great heart interest theme of Polly, the homeless "little mother" to baby brother "Billy Boy" and of her adventurous but fearless dealings with the many kinds of people she meets on her long tramp to California.

Hippodrome Acts Are Booked at the Arcade

High Class Vaudeville Will Show Here Wednesday and Thursday of Each Week.

Hippodrome vaudeville acts will be given at the Arcade theater Wednesday and Thursday of each week hereafter. There will be three vaudeville acts and the regular picture program on Wednesday and Thursdays. The admission charge will be 10 and 20 cents.

The Hippodrome circuit comprises houses in Butte, Spokane, Seattle, Tacoma, Portland, Sacramento, San Francisco, Los Angeles and San Diego. La Grande is now in a circuit just being closed—a circuit comprising Pendleton, Walla Walla, and Boise. The Temple theater in Pendleton and the Liberty theater in Walla Walla have signed. Arrangements are now being conducted with theaters in other cities. Edward Kellie, of the Kellie-Burns association of Seattle, Wash., the Pacific coast Hippodrome managers, was in La Grande the first of the week completing arrangements with the Arcade management.

The Hippodrome vaudeville acts booked for the Arcade theater are the same ones shown in Portland, Seattle, Los Angeles and other large cities.

Despondency Due to Constipation.

Women often become nervous and despondent. When this is due to constipation it is easily corrected by taking an occasional dose of Chamberlain's Tablets. These tablets are easy to take and pleasant in effect.—Adv.

MOTOR WHEEL FOR BICYCLES FITS ANY MACHINE

Any make or size of bicycle can be readily transformed into a motorcycle by changing the rear wheel for a new motor wheel invented by a New York man. The attachment is described in the March Popular Mechanics Magazine. It includes a heavy 26-in bicycle wheel, with a 2-h. p. motor plant, and a substantial mud-guard designed to fit into the forks of the bicycle after the original wheel is removed. The motor is of four-cycle type, and weighs only 57 pounds. It is claimed that it will make about 100 miles to the gallon of gasoline, will climb the steepest grades and enable the rider to keep up with fast-moving traffic while none of the extra weight or vibration falls on the bicycle itself, all being carried by the specially constructed wheel.

Chamberlain's Cough Remedy a Favorite for Colds.

J. L. Easley, Macon, Ill., in speaking of Chamberlain's Cough Remedy, says, "During the past fifteen years it has been my sister's favorite medicine for colds on the lungs. I myself have taken it a number of times when suffering with a cold and it always relieved me promptly."—Adv.

COLONIAL

AT COLONIAL THEATER TODAY

"The Eagle's Wings," to be exhibited at the Colonial theater on March 2-3 will be a most unusual feature, combining with a gripping dramatic plot, authentic and absolutely accurate pictures of scenes in munition plants now filling orders for foreign countries at war. "Industrial Preparedness is the main theme of the subject, illustrating the manner in which the mills, foundries, factories and shops, now devoted to peaceful pursuits, may be expected to co-operate with Uncle Sam in time of unexpected war.

What is "industrial preparedness?" How does it effect the humblest citizen? What does it mean to the nation? What is it all about? These and scores of other questions of vital concern to every citizen will be answered in the gripping photodrama, "The Eagle's Wings," to be exhibited at the Colonial theater on March 2-3 in Bluebird photoplays. This gripping picture-drama is a non-political,

non-partisan, patriotic inspiration—a lesson in loyalty for every citizen of the Union.

Elect New Irrigation Company Board.

At the annual meeting of the La Grande Irrigation Ditch company in the city hall Wednesday night an assessment of 75 cents a share was levied to provide a fund for enlarging the ditch. The board of directors was increased from three to five and the following elected to the board: Dave Stoddard, C. J. Black, Charles Chandler, Dan Wilson and L. H. Russell.

Roman Meal

Even babies may use it freely (from the eighth month) with greatest benefit to not only their health but their development and growth.

When grains are "refined" the brans, salines and nutritive dark parts are removed. Only the highly starchy white parts are retained. These fine, starchy particles pack and clog the digestive tract, and ferment. The poisons thus produced enter the blood—and you feel the nasty debilitating sensation due to indigestion and self-poisoning.

If Roman Meal does not positively relieve constipation we will refund your money. If you load up your system with foods that are impoverished and lack waste, the muscles of the digestive tract just stop working, and then you have constipation. Let Roman Meal relieve it.

Roman Meal is also a perfectly balanced food. Your digestion is never upset by too much starches or too much protein. That is why it "agrees" with everybody—it is properly balanced. Ask
