Bankers' Convention, Marshfield, June 8-9

At a Portland meeting of the executive committee of the Oregon State Bankers association Tuesday it was decided to hold this year's convention in Marshfield, June 8 and 9. F. L. Meyers, cashier of the La Grande National bank and president of the association, was present and presided at the meeting of the executive committee. The association lined up behind Portland in the fight the city is making for a branch of the federal reserve bank. It is believed the branch bank will be established either in Portland or Seattle though other cities are seeking it.
