SHERRY'S SUNDAY

"Vanity" With Emmy Whelen as Star Has a Strong Lesson.

A great moral lesson is taught in "Vanity," the new Popular Plays and Players production starring the exquisite little European actress, Emmy Whelen, and released on the Metro program. This stirring five-act feature photodrama will be shown on Sunday and Monday at the Sherry theater.

"Vanity," which is from the pen of one of America's greatest dramatic writers, Aaron Hoffman, shows the folly of a girl's allowing her imagination to run riot on the subject of beautiful clothes.

EMMY WHELEN IN "VANITY"

Phyllis is employed as a model at Martel's, where her duties are to try on beautiful gowns to display to fashionable customers. She becomes dissatisfied with her own cheap garments and her poor lodgings. Wanting more money with which to buy clothes and also to befriend an unfortunate girl friend, she tries to obtain it by gambling. When she loses, the chief of detectives, who has had her under scrutiny, manages to have her discharged, and forces her to assist him in securing a confession from a young man whom he believes guilty of murder.

Although the man has not committed the murder, Phyllis secures from him a damaging admission, and he is

A short synopsis of "The Cossack Whip." The cast: Darya (Viola Dana); Katerina (Grace Williams); Alexis (Bob Walker); Turov (Frank Farrington); Sergius (Richard Tucker); Mme. Popjeska (Sally Crute).

A long line of prisoners winds over the snow-covered Russian steppes toward the train which is to carry the unfortunates to Siberia. A band of revolutionists, bent on freeing their brothers from the living death, attack the Cossack guard and in the excitement several prisoners escape. Turov, perfect of police, learns of the attack and orders the whole district raided that he may punish the perpetrators of the attack.

In their crude home live Sasha and his daughters, Darya and Katerina. Suddenly the still air is shattered with the blood-curdling yells of the raiding Cossacks. Little Darya is quickly hidden, but Sasha and Katerina are led before Turov. The father is sent to Siberia. Soon afterward Katerina, robbed of life and honor, creeps back to the little settlement to die, carrying with her the Cossack knout with which she has been flogged.

Over her sister's body, Darya swears revenge and keeps the Cossacks whip as a reminder of her vow. Then follows a story of action and power, telling how Darya becomes the favorite dancer of the imperial ballet; how she brings the bloodthirsty Turov to her feet and finally accomplishes her revenge; how, at last, she listens to the pleadings of Sergius, a revolutionist and master of the ballet, and how the two of them make their way out of Russia and across the ocean to the great land of liberty and opportunity.

ARCADE

DOROTHY DALTON'S UNIQUE NEW ROLE

"Chicken Casey," the new Triangle-Kay Bee play, which will be seen at the Arcade theater, Sunday, is the latest play from the Thomas H. Ince studios, starring Dorothy Dalton.

Miss Dalton appears as an actress, Mavis Marberry, who reads a best seller by a popular author and decides that she wants to play the leading role in a dramatization of the book. The part is that of a girl of the slums.

The author, having seen Miss Marberry only in very different roles, deems her unfit to play the character. The actress takes a unique way to convince him that he is wrong. Disguising herself as a girl of the type he portrays, she contrives to meet the young man in the slums, and so befool him that his downfall is complete.

Charles Gunn appears opposite Miss Dalton as the author. The play is said to be replete with comedy as well as heart interest.
