Practice Pay-day Saving. In these days of high prices and extravagant tastes, it is natural for the entire contents of the pay envelope to slip away unless a careful plan of regular savings has been adopted. The year is still young. This is an especially good time to begin and practice pay-day saving. Thousands vouch for the success of the plan. United States National Bank La Grande Oregon

Foreign Newspapers at Library
A package of foreign newspapers has been sent for advertising purposes to the local public library. They are all too old to be interesting as news, but have some value as curios; or as a lesson in geography. How many school children can tell the librarian how to locate the places from which the papers come? They are, excluding a few entirely in foreign languages, from Colombo, Maulmain, Mandalay, Singapore, Penang, Karachi, Lucknow, Kingston, Calcutta, Panama, San Juan, Bombay, Hong Kong, Pietermaritzburg, Alwal and East London, S. A.

JIMMY CALLAHAN HAS BIG JOB AS MANAGER OF PITTSBURG
Former Manager of White Sox At the Helm of the Pirates Faces the Supreme Test of His Career.
Pittsburg, March 8—Jimmy Callahan, former manager of the White Sox, goes into the National league race this year for the supreme test of his career as a manager of major league baseball clubs.
At the helm of the Pirates, with a brand new baseball club of his own selection, he must live or die by his own efforts as structural pilot. There is scarcely a member of the club as it was when Fred Clark made good his threat to become a farmer.
'It isn't even certain that Hans Wagner will be present to hold down first base. If that is the case then Callahan will have to figure all over again for a guardian at that station. For Wheeler Johnston has departed for the minors. At second base he seems to have dug up a real star in youth Farmer.
Shortstop promises to give Callahan some worry, for he has dispensed with young Jimmy Smith and Wagner doubtless will not attempt to play in that position. He still has an excellent infielder in Douglas Baird and this youth may be converted into

a shortstop.
Warner seems to have cinched a job at third base. Baird, one of the flashiest youngsters who has visited the National league for many a day, originally cavorted at this corner, but he was superseded when Warner began to show what he could do.
The outfield doubtless will be composed of Hinchman, Carey and Bigbee of whom the latter has shown promise of living up to the wonderful advance notices sent out for him. He is a hitter of class, a smart base runner, and is a fast, sure fielder.
Callahan's pitching staff, something Callahan always has been able to have around, shows loss of class, with Mamaux ready to uphold the heaviest burden. Plenty of youngsters will be given thorough trials at the Hot Springs training ground. Jacobs has shown class, as has Evans. And there is Cooper to help opt.
Wagner probably will be first string catcher.
Callahan's chances look much better than a year ago.

TODAY IS ORANGE DAY
Los Angeles, March 10.—(United Press) — Throughout the United States, today is being observed as National Orange Day. In Southern California, however, instead of being observed the day is being celebrated.
As a result of the motion pictures postcards, newspaper and magazine advertising, personal letters, gifts of citrus fruit and scores of other methods used by citrus interests, the mayors of nearly 100 cities have issued proclamations calling attention to this being Orange Day, and asking their town's people to partake liberally of the fruit. District chairmen throughout the United States have been at work arousing local interest and have arranged for practically all hotels to serve oranges in many different ways today.
