FRANKLIN

The One Word

That expresses that nearer than any other word your idea of the best there is in automobiles.

THE FRANKLIN

Will have a prominent place at the AUTO SHOW at Hilton's Garage and will continue to have its home in Hilton's Garage after the show.

ALL THE MOST POPULAR FRANKLIN MODELS

A 5-passenger Sedan, a 2-passenger Roadster, a 5-passenger Touring Car. Look for them and sit in them and see how comfortable and luxurious they feel.

Ask us about their many new features. Let us show you their nickel steel parts—their sheet aluminum bodies and fine grade of leather upholstery.

Let us explain their air-cooled motor and show you proofs of its wonderful advantages—how it eliminates 177 superfluous parts, radiator, water jackets, pumps, fans, etc., all of which mean dead weight, complication and inconvenience.

Let us tell you about the 860-mile low gear trip, from Walla Walla to San Francisco, in 3 days and 11 hours, without stopping the motor and many other proofs of Franklin efficiency and reliability.

After the show we will have a demonstration car to show you. And will have cars to deliver to you—any model—within very short notice, but our schedule is limited. The same is true of every dealer. So you should get your order in early.
