The thing to do with the Chinese highbinders and gunmen is to run them out of town. This is a job for the police. They know who they are or can find out. We don't want any more wild and woolly tong wars in front of the postoffice.

The visitors are coming in great numbers to the La Grande Auto and Motorcycle Show. We are glad they are coming, and we will show them the hospital-ity for which this city is famous.

PEACE IN FOUR MONTHS.

President Wilson has stated that clouds that are surrounding this country will soon drift away. Peace is surely coming. Certain military and diplomatic experts predict that peace will come in four months. Maybe it will not come quite so soon, but it is surely coming.

Enterprise Notes

Imnaha Stockmen Feed Cattle on Brush for Want of Better Feed.—Mr. and Mrs. Fred S. Ashley Return.—Mrs. John Austin Is Very Ill.

Enterprise, March 14.—(Special)—Mrs. Mildred Wilson, of Imnaha, Mrs. Mildred Wilson, of Imnaha, died in La Grande Monday, March 5. She had been sick since November and submitted to two operations in the hopes of getting better but toward the last took a change for the worse.

Mr. and Mrs. George Gailey, Mr. and Mrs. Frank Reavis and Mr. and Mrs. J. C. Conley went to Joseph Wednesday afternoon to attend the funeral of Mrs. Wilson. These were all relatives of the deceased.

On Saturday the millinery stores of Enterprise had their spring openings. There were a great many pretty hats

on display. The people may be slow buying them as the snow is so deep on the ground yet.

There were no trains into Enterprise on Sunday and did not reach here until Monday afternoon. The trouble was the deep snow out by Imbler.

The mill is not working this week. The planer is working a few days. The snow is so deep in the camps it is difficult to get the logs in here. The cars for the lumber are also slow coming in from La Grande.

A large sleighing party went out in a hay rack to Mr. and Mrs. McAllister's on Saturday night. They all enjoyed a good time.

The teachers of the Enterprise high school will give a play Thursday and Saturday night, March 15 and 17. The play is entitled, "What Happened to Jones." The proceeds will go to buy some things needed for the school.

The candy kitchen has moved into the rooms recently vacated by the Enterprise electric company. The electric company now occupies some nice rooms in the new bank building.

C. E. Funk has sold out his drug store to L. E. Billings and J. E. Ax-tell.

Mrs. Fred Ashley returned Thursday from Salem where she has been with her husband while he was at-

tending the legislature.

Miss Velma Holman, who has been visiting her brother in Enterprise, left Thursday for her home in Pocatello. Miss Bricheux arrived in Enterprise Thursday on a visit to her aunts, Mrs. Steele and Mrs. White.

Mrs. John Austin was brought in from their farm on Friday and taken to the hospital where she is very low with blood poisoning.

Roscoe Ghormely, operator at the Peoples theatre, left Saturday for Walla Walla.

Mrs. Pipes left Saturday for Portland.

The W. O. W. gave a very nice dance Friday night. A large crowd attended. Klopff's orchestra played.

A. E. Lewis, who has been sick for a couple of months, is improving.

Dr. Ault, who has been out of the city for a few weeks on business, has returned.

The Baptist revival meetings have continued all the week and good interest is being shown in the meetings.

Property owners of Enterprise turned out in good numbers on Saturday to vote for the new school building.

Hank Wright was arrested the first of the week for "bootlegging." This is the first arrest made in Enterprise for this offense so far although quite a few have been watched pretty closely for some time.

Wright had been having it shipped in in lubricating oil cans for some time past and the house has been closely watched until some proof could be had. On Saturday night three drunken men were found, one of whom made affidavit telling that he bought liquor many times of Wright. A preliminary trial was held and Wright was fined \$250. On Saturday a second indictment against him was returned. Roy Stanford is also up for bootlegging.

Jay Dobbin left the first of the week for Cambridge, Idaho, where he purchased 3600 head of sheep.

Miss Hazel Maxwell and Miss Fern Kramer attended the E. H. S. basketball game at Wallowa Friday night.

The Women's Missionary society will meet with Miss Beulah Murray Wednesday afternoon at 2:30. Everyone is invited.

The Enterprise high school basketball team met defeat for the first time this season at Wallowa Friday night. The game was fast and rough.

E. H. S. led up until the last two minutes when Warnick (forward) was laid out. This handicapped the team, the result being defeat. However this game does not hinder Enterprise from winning the Eastern Oregon championship. The score was 37 to 27. The players were as follows: Stevens, center; Warnick, forward; Schroal, forward; Ault, guard; Funk, guard.

Miss Mabel Shuss gave a party at her home Saturday night. A three-course lunch was served and every one spent an enjoyable evening. The band boys expect a big dance on the night of March 16.—it being their St. Patrick's ball.

Wallowa Notes

Wallowa, Ore., March 13.—The Wallowa Sun Says:

A new Millinery Store opened this week in Wallowa. Mrs. J. A. Funk, who for several years conducted the leading Millinery Store in Enterprise, but who sold out her business there last fall, has opened up in Wallowa a new stock of up-to-date goods which are now on display in her store at the corner of First and Storey streets, across from the Shell Merchantile Co.'s Store.

H. W. Harris received a letter this week from A. McMullen, a former resident of Wallowa county but now with the B. Company 211th Battery C. E. F. stationed in England, near London. He says in part: "The Olympic (our boat) had on board 6,000 troops besides 600 or 700 crews. The boat is 900 feet long and four times around the parade deck equals a mile. They were five days going across the pond. A close watch was kept for German submarines, especially when they got within 100 miles of the coast. Seven submarine destroyers met us and conveyed us into Liverpool. They sure can travel some about 35 or 40 miles per hour."

"The letter is headed somewhat in 'England' and had been censored. Wednesday morning, March 7, 1917, at the home of her son, Frank Green, east of Wallowa, Mrs. Ebbie M. Green died at the ripe old age of nearly 81 years.

West & Co THE QUALITY STORE

it has evolved a ready and practical way for the housewife to save, in the aggregate, many millions of dollars in household expenses through the use of more Royal Baking Powder and less eggs.

Months of experimenting have elicited a large number of recipes for the making of home baked products with fewer eggs, and these recipes are being distributed gratis. It is claimed that they prove conclusively that the baking powder saves eggs—in some cakes about half the cost of the cake is saved. In recipes calling for the use of eggs, the number can be reduced and excellent results—healthful, appetizing cakes, muffins, corn bread, etc.—obtained by using a small additional quantity, about a teaspoon, of Royal baking powder in place of each egg omitted.

The acme, or top-notch achievement, in this connection is an eggless, milkless, butterless cake that is pronounced by all who have tasted it to be delicious and wholesome. Its appetizing quality, it is claimed, will be surprising to the housewife who tries it according to the recipe given.

The idea of using more Royal baking powder and less eggs in baking is not entirely new, but the elaborate enlarging and perfecting of the idea just accomplished renders it a very present help, meeting the necessities of the housewife of moderate means in a time of soaring food prices.

In the British Isles the news has been received with enthusiasm. The baking powder company, while not being accused of being an out-and-out philanthropist in the matter, is pointed out as having provided the means of effecting an enormous saving in household affairs in a way that benefits everybody and harms nobody—except it be the pride of the autocratic hen. The company only completed its experiments recently, and already the announcements are being spread broadcast in the newspapers, which, it will be remembered, many years ago made the name of Royal Baking Powder a household word all over the world.
