

# KIRSCHBAUM CLOTHES

## ALL in readiness, We await YOU

With a clothing stock which represents months of choosing and sifting and gleaning—going clear back to the raw wool.

Fabrics woven from selected stock and never once did the shuttle shoot a strand of cotton across the warp of the cloth—nothing but pure wool a-tingle with life and color.

Tailored in the famous sun-flooded shops of A. B. Kirschbaum Co. at the Sign of the Cherry Tree.

—where competence and painstaking direct every pair of shears, every flash-needle.

—where surroundings of good cheer permeate their inspiring influence.

—where, from the time the designer's chalk first touches the cloth until the silken label is attached, a wealth of artistry is lavished upon each single and individual garment.

There you have the origin of our Spring clothing selections—in truth the corp d'elite, the pride, the *very flower* of the modern clothes-maker's art.

\$15, \$16.50, \$20, \$25 and up to \$40.

## ARCADE

Beautiful Pauline Frederick is the star of the Famous Players-Paramount production "The Slave Market," by Frederic Arnold Kummer, which is the featured attraction at the Arcade today and tomorrow. In this romantic story, Miss Frederick is a Spanish beauty who falls into the hands of pirates and is finally offered for sale on the slave block.

Director Hugh Ford took his company to Cuba in order to obtain the best possible Spanish atmosphere. As some of the scenes transpire in the West Indies, the sending of the players to Cuba was an especially happy thought. Some of the most thrillingly interesting incidents in the story transpire on shipboard when the pirates attack the vessel in which Ramona has sailed from Spain to the West Indies. There are hand-to-hand encounters on the vessel as the pirates come swarming over the side after the ancient custom of all pirates since maritime pilfering became an institution.

The fight on the deck of Ramona's ship involves a new character in Famous Players annals in Thomas Meighan whose remarkably clever acting in Lasky productions has made him one of the screen's most prominent figures. Mr. Meighan is the hero of the tale and is thrown overboard by the pirates in his efforts to protect the lovely Ramona from the invading horde.

Ramona is taken by the pirate chieftain to be his favorite, an action which of course earns the jealousy and hatred of Anna, the deposed loved

one. There is a buried treasure, which plays an important part in the tale, for with it Ramona is bought from the pirates by the hero after she has been offered for sale in punishment for the killing of their chief. Thomas Meighan, Wellington Playter, Ruby Hoffman and Albert Hart are the principal players in support of Miss Frederick.

### Chamberlain's Cough Remedy a Favorite for Colds.

J. L. Easley, Macon, Ill., in speaking of Chamberlain's Cough Remedy, says, "During the past fifteen years it has been my sister's favorite medicine for colds on the lungs. I myself have taken it a number of times when suffering with a cold and it always relieved me promptly."—Adv.

La Grande Camp Wins Prize. State Deputy Head Consul J. W. Simmons, Modern Woodmen of America, is in the city and last night at an open meeting presented to La Grande camp, number 7703, the banner awarded to the lodge securing the most members during 1916. This is the first time the banner has been this far east. Astoria held it last year.

The Pneumonia Season. The cold, damp weather of March seems to be the most favorable for the pneumonia germ. Now is the time to be careful. Pneumonia often results from a cold. The quicker a cold is gotten rid of the less the danger. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. As to the value of this preparation, ask one who has used it.—Adv.

The income is large enough but the expense is also large. If you can get twice as long service out of wagons and implements this expense is greatly reduced. Keeping them well painted is absolutely necessary if you are going to get this service. Get the Paint at

LAST TIME TODAY

Last Showing Tonight of "The Island of Desire."

Pink pearls lure a newspaper reporter, an Australian adventurer and a Chinaman to set sail to the South Seas, in the photoplay, "Island of Desire." There is trouble a-plenty. There is love constantly beset with difficulties but finally followed with happiness in the Fox picture. Jungle hurricanes, volcanic eruptions, and terrific earthquakes combine with splendid acting and gripping story to make William Fox's new George Walsh play, "The Island of Desire," the most thrilling motion picture yet produced. The camera has been turned on a field which is rich in possibilities, yet has not been touched; and the result is a photodrama which displays the best of cinema art.

**A Bilious Attack.**

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.—Adv.
