A WOMAN'S BACK.

The Advice of This La Grande Woman Is of Certain Value.

Many a woman's back has many aches and pains. Ofttimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective.

Many La Grande women know this. Read what one has to say about it: Mrs. Geo. Bunch, 1706 N. Spruce St., La Grande, says: "Two years ago I was nearly bed-fast with kidney trouble. For several weeks, my back and hips were so painful that I could hardly keep going. When I got down, it was almost impossible for me to straighten up, as my back was so weak and sore. My kidneys were very irregular in action and the kidney secretions caused me a great deal of misery. One box of Doan's Kidney Pills made me feel like a different person. Since then, I have taken them when I have noticed any trouble from my kidneys and they have never failed to do me good."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bunch had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

Baker Sheepman Talks Of Feed

"Shipping feed into the Baker section all the time," said Lowell Williamson, Baker sheepman here today. "We are certainly praying for the winter to cease. I have lots of hay, in fact, I sold some last week, but there are many not as fortunate as I. It is time we were getting our flocks on to grass for the lambing season, but, you see, the snow is there."

MODART CORSETS

Front Laced

Why Look Older Than You Are?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front-laced corset.

See for yourself the youthful and graceful lines this famous corset will give you.

No expense to you—do not buy unless there is a decided improvement—then you should.
