**La Grande Tire Dealers  
 Appointed Goodyear  
 Service Stations**

**I**F you have been disappointed in finding your own dealer out of stock in Goodyears, you can end this annoyance from now on.

Regular Goodyear Service Stations have been appointed IN LA GRANDE who carry at all times Goodyear Tires and Goodyear Tubes in every size, and Goodyear Accessories. If you will call on one of these dealers you will receive tire service you have probably never known before.

One out of every five cars in the country today is enjoying the longer mileage and the lower mileage cost of Goodyear Tires.

The extraordinary favoritism shown this particular tire would be even larger than this if everyone who asked for Goodyears got them.

For Goodyear Service Station Dealers are not content in merely selling you Goodyear Tires, Goodyear Tubes and Goodyear Accessories. Their interest continues until you have had maximum mileage and satisfaction from them.

They all have the same purpose, the same disposition—to hold your business by getting your friendship, by giving you the service you have a right to expect.

This service is given you over and above the extra mileage built into Goodyear Tires, which makes them go farther and last longer, and so cost you less in the end.
