JACK O'NEIL HAS RECORD AS A GOOD WRESTLER

Local Man Will Defend His Title to 175 Pound Championship of Pacific Northwest Against John Berg, Friday Night of This Week.

Jack O'Neill, the local wrestler who will defend his claim to the championship of the Northwest at 175 pounds against John Berg on Friday night, March 23, at the Arcade theatre, is a native of Michigan and began his wrestling career as a Cornish wrestler when 16 years old and within the year he won the third prize in competition with the best men in Northern Michigan.

A few years later he located in Chicago and associated himself with the Y. M. C. A. of that city where he learned "Catch as Catch Can" style wrestling under Prof. Smith, who was instructor of that institution at that time.

His first professional match was in Grand Forks where he won from Fred Fair, of Rolla, North Dakota.

Soon after he challenged D. A. McMillan at that time, all style world's wrestling champion. McMillan accepted they met in Minneapolis and O'Neill won two straight falls, catch as catch can style wrestling.

Later he met and defeated Chas. Moth, of Pittsburg, soon after he won the northwest championship and a gold medal at Missoula, Mont., in a tournament defeating, among others, Prof. Lewis, recognized at that time as one of the best heavy weights in the game.

A little later he defended his claim of northwest champion against all comers at Spokane taking first money and a gold medal.

He wrestled in Canada meeting and defeating the best men in his class over there. Won from Jack Carkeek and Rovett in the copper region in northern Michigan, beating West, Pevey Jack, Donar and others.

He met a draw with Dan McLeod who held the world's championship at that time. He won over Farmer Burns, Burns getting the first fall in about an hour, O'Neill taking the second and third.

He soon after met Jack Aleen in Great Falls, Mont., requiring two hours to get the two falls. He met Halls Dali the 300 pound Turk in Seattle in a handicap match in which he was thrown in an hour. The Turk returned to Constantinople after touring this country without losing a fall.

Two years ago O'Neill wrestled Bob Peterson, then champion heavy weight wrestler of Alaska, in the armory at Albany, Ore., winning two falls in ten minutes.

His last match was with I. A. Johnson, of St. Paul, Minn., champion heavy weight strong man and wrestler at the Arcade theatre, this city, beating the big man twice in 28 minutes.

O'Neill is working every evening in preparation for his match with Berg and promises his many admirers when he steps on the mat he will be in condition to amuse the present coast champion.

Ladd Canyon Items

Best Wishes of Community Go to St. Louis with Miss Helen Peebler, Who Will Enter a Sanatorium There.

Ladd Canyon, March 17.—(Special)—We are having regular March squalls, only they seem a little late, and every one is longing for spring. Everybody predicts lots of high water as the snow is very deep up in the canyon and there is lots of it here, most of it being in drifts.

Helen Peebler left last Thursday evening for St. Louis, Mo., where she will enter the McLain Orthopedic Sanatorium for treatment. She has not walked a step since she was stricken with spinal myelitis seven years ago in August, but gets along remarkably well on crutches. Although we shall all miss her, we are glad she has gone, feeling as confident as she that she will be cured. Her parents, Mr. and Mrs. Dick Peebler, received a card from her yesterday which she wrote at Denver, stating that she was enjoying her trip, as everyone was so kind and considerate and that she had slept well. She will remain until cured. She purchased a ticket for six months time but it is hoped she can return before then.

Eugene Banton and William McCauley returned Thursday evening from Portland where they have been attending an automobile school since the first of the year.

The indoor carnival was quite a success. The proceeds from the fishing pond, candy stand, fortune telling stand and the notion counter netted nearly \$16. Everything was sold.

A little girl put in her appearance at the home of Mr. and Mrs. Henry Bainbridge this morning, making them a very happy couple.

A nice sized crowd enjoyed Mr. and Mrs. E. C. Fields' house dance which they gave March 3.

A Bilious Attack.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.—Adv.

Chamberlain's Cough Remedy a Favorite for Colds.

J. L. Easley, Macon, Ill., in speaking of Chamberlain's Cough Remedy, says, "During the past fifteen years it has been my sister's favorite medicine for colds on the lungs. I myself have taken it a number of times when suffering with a cold and it always relieved me promptly."—Adv.

Keep Your Eye On Palmer Lands

The last five sales have been from residents who reside away from Grande Ronde valley.

It apparently is the same old story: Home people as a rule do not realize the opportunities that are here.

The first settlers of this valley did not appreciate the value of that large fertile tract we now call the Sandridge. It was the very last land in the valley to be occupied.

A few years from now not a few of those who read these lines will state: "I did not know that Palmer valley would ever be the prosperous country it is."

It will be too late then. The opportunity is now. No experiment. Many families have already demonstrated the productiveness of the soil. You know the location, near railroad, near Elgin, adjoining a forest reserve, which means cheap range for stock and free fuel for all time.

Come in and let us reason together.
