

Get Rid of Dangerous Disease Germs

When balmy spring days arrive germs will develop very rapidly. Therefore, you should get busy now and use proper

DISINFECTANTS AND GERMICIDES

Their use will ward off the attacks of germs and guard the health of your family. Scatter disinfectants freely in all places where germs are apt to lurk—damp cellars, cesspools, stables, etc.

We sell all of the reliable disinfectants and germicides and should be glad to suggest what is best for any special purpose.
