For many years there has been no question that the "open-shelf system" in public libraries gives the best service to readers. The great majority of people never abuse the confidence placed in their honesty. But for some time past the La Grande public library has lost books by theft, probably the work of only one or two persons. Evidence shows this theft to be deliberate, and the board has authorized a reward of \$25 to be paid for information which will convict such thieves. Parents should impress on their children that library books are public property, and are to be taken from the building only when recommended by the librarian.

M. O. Evans, of the Extension Service of O. A. C., is in town today making arrangements for "the demonstration train" which will visit La Grande next Thursday evening. It is conducted jointly by the Union Pacific and O. A. C. extension division. The car is due in La Grande from Elgin Thursday evening at 6:25 and will remain until Saturday at 11:25. Baker is the last place the car and party will stop. The exhibit car contains instructive information regarding vegetable growing and poultry raising. Show Your Patriotic Spirit.
Come and hear Prof. Haines, who is with us again, play with his orchestra which is the best that can be obtained.

They will play all the patriotic favorites and everybody is assured a good, jolly time.

The management is doing its best to run a good respectable place where no one need be ashamed to go and take daughters, wives or sweethearts, as rough dancing will not be permitted.

So everybody come to Zuber hall Tuesday April 17 and show your colors. The hall will be decorated in Old Glory. The floor is in fine shape and the music the best, so let everybody turn out and if you don't dance come and hear the music.—Adv. 4-9, 14, 16.

IF YOU WERE A BUSINESS MAN, and needed an office helper, you would read the "Situations Wanted" ads. You would read them with the same sort of discrimination you would exercise in reading letters from applicants for the position, or in interviewing such applicants. You would look for traces of business efficiency. In advertising for employment keep in mind the fact that you are FILING YOUR APPLICATION with business men who make an appraisal of you based upon the advertisement itself.—Adv. 4-14, 21, 28, 5-5f.

LA GRANDE, OREGON

vinced by this twice-told testimony.
Ed L. Bussey, La Grande, says: "I had been subject to kidney trouble at times, especially when a cold settled on me. Dull pains annoyed me and my kidneys got badly out of order. About three years ago I began using Doan's Kidney Pills and from that time on, I have had something on which I can rely. Whenever bothered, it has taken Doan's Kidney Pills only a short time to set me right. I am perfectly free from kidney trouble now." (Statement given November 20, 1912.)
On May 25, 1916, Mr. Bussey said: "I am ready to back every word of my former statement, regarding my experience with Doan's Kidney Pills, for I know they have no equal. Whenever I notice my kidneys getting out of fix, I take Doan's Kidney Pills and they never fail to do the work."
