Hartman Company, Portland, Ore.—Adv. 4-7, 14, 21, 28 road bonding bill, the farmer has everything to gain and nothing to lose. According to a compilation by the State Tax Commission, agriculture in Oregon pays on approximately 26 per cent of the total taxable property, timber and lumbering on 19 per cent, city and towns on 41 per cent and public utilities on 14 per cent. Designated as they are to meet the requirements of the state as a whole, these main through arteries will be built from city limits to city limits, the cities alone having authority over city streets. The Highway Commission has announced that, where any of the main roads to be improved pass through the smaller towns and villages and the street is not already improved, the Commission will harden that portion of the road included within the limits of such towns and villages without additional cost to such communities. When improved these main lines will serve not only the agricultural districts through which they pass, but will also serve centers of population—the principal market places. They will be market roads as well as through state roads—not luxuries.

OPEN COMPETITION POSITIVELY ASSURED All Contractors to Have Chance to Bid on Proposed Highways.

In reply to an inquiry from the Legislative Good Roads Committee as to what its policy would be in the matter of awarding contracts for road construction if the pending road bond bill should be approved by the voters in the June election, the State Highway Commission issued the following statement: "We recognize the propriety of your inquiry and therefore hereby authorize you on our behalf to say that this Commission, at a public meeting held at Portland on this date, adopted the following resolution: "Whereas there exists in the public mind an impression that undue profits have heretofore been made by paving contractors in Oregon, "Be it resolved that it will be the policy of the Highway Commission to call for bids on all standard types of pavement in open and fair competition and to award contracts to the lowest responsible bidder who will be required to give a good and sufficient guarantee for the permanency of his work. "Be it further resolved that in the event no satisfactory bid can be obtained the Highway Commission will proceed to do the work itself by force account after the purchase and installation of its own paving plant. "The above resolution is intended as a frank statement to the public of what our policy will be. If there is anything which is not fully covered it is due to an oversight on our part and not due to any desire to evade any issue or question. "We may summarize our plans as follows: We shall demand and endeavor to acquire for the state full value for every dollar of public money expended. If the bond issue is adopted we shall so far as possible, commence work in every county in which work is to be done at the earliest possible moment. We shall not favor one county or locality over another, but will, to the best of our ability, be fair to the various sections of the state."

Union Will Buy Park. Pursuant to the call of Chairman Tony D. Smith, a meeting of citizens and taxpayers was held at the city hall Thursday evening to hear the report of the committee charged with securing a proposition contemplating the purchase of a site for a public park. A proposition looking toward the purchase of 70x100 feet frontage from Brasher & Baird for \$800, and the acceptance of a donation by S. A. Pursel and Brasher & Baird—approximately four acres in all, was presented and accepted by the meeting, and a resolution asking the council to pay for the Brasher & Baird tract out of the city funds was passed.—Union Republican. Johnson and Chandler shipped out a car of hogs and a car of cattle Saturday last.—Union Republican.

Miller received a telegram announcing the sad news of the death of Mrs. Olive Henderson, of Fresno, California. Mrs. Henderson is the daughter of Mr. and Mrs. P. B. Wilson, formerly of Union. Olive Wilson was born in Union August 27, 1896, and lived here until November 1902, when her parents moved to Fresno, California. Four years ago in January she was married to Vernon Henderson of Fresno. Olive Henderson is a niece of Chas. S. Miller, S. E. Miller and Mrs. G. F. Hall.—Union Republican. Will Organize Militia Company. Steps are being taken at Union toward the organization of a company of militia, to be trained in the tactics of actual service, and many have already signed up. J. F. Hutchinson, who saw three years service in the Oregon National Guard, has been taking an active part in raising the company. He argues that men are likely to be called at any time, and that if fitted for the service by home training will do better work for Uncle Sam and for themselves.—Union Republican.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, Ohio. GOOD ROADS RALLY The Legislative Good Roads Committee has decided to hold a state-wide good roads rally in Portland, Saturday, April 28. Every organization in the state favorable to the road bond bill is invited to send representatives to this gathering. The committee has taken up with the various transportation companies the matter of securing a special reduced rate for those attending the rally. Reports from Astoria and several points in Eastern Oregon are to the effect that the good roads enthusiasts of these sections are planning to charter a boat or special train and come to Portland in large numbers, accompanied by bands. Similar large excursions are in prospect from other points. There is every indication that the rally will prove the most notable gathering of good roads boosters that was ever held in the Pacific Northwest.
