PERUVIAN GOVERNMENT NIPS NAVAL REVOLT IN THE BUD
Lima, Peru, April 20.—(United Press)—Charges that a number of important officers were implicated in a plot for a naval revolt are under investigation by the Peruvian government today. The conspiracy is said to have been hatched in retaliation for the arrest of certain naval commanders. The ministry of marine gained an inkling of the situation and promptly dismantled the guns on the warships besides disabling the vessels' engines by removing essential parts of each which were locked in the arsenal under heavy guard.

DON'T EXPERIMENT.
You Will Make No Mistake If You Follow This La Grande Citizen's Advice.
Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are frequently symptoms of kidney trouble, and a remedy which is recommended for the kidneys should be taken in time. Doan's Kidney Pills is a good remedy to use. No need to experiment. It has acted effectively in many cases in La Grande. Follow the advice of a La Grande citizen.
Mrs. Frank Brookler, 2010 Third St., La Grande, says: "Doan's Kidney Pills have been a household medicine for kidney trouble in our home for a number of years and they have always proven a great success. Whenever I notice my kidneys are not acting as they should, I take Doan's Kidney Pills for a few days and they never fail to relieve the trouble. I could not recommend anything their equal." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Brookler had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

AMERICAN GAIN CONTROL OF BRAZILIAN COFFEE CROP

Rio de Janeiro, April 20.—The next Brazilian coffee crop is estimated as between 12 and 13 million bags of 132 pounds each. The extraordinary feature about this crop is that about two thirds of these bags will be bought, sold, shipped or otherwise handled for the first time by American business interests represented here in Brazil.

War and American enterprise constitute the reasons.

The British blacklist, the shortage of shipping for European ports, lack of financial support and the departure of Germans to their own country to fight opened the door for Americans to take the coffee business from the Germans.

Why therefore, should you compress your vitally delicate organs into a stock or ready made corset?

Jitney Breakfasts

"What?" you say "Jitney Breakfasts these high-price days of living? Preposterous!"

But it is a fact! A bowl of wholesome breakfast food or mush—you know your particular brand—and a substantial supply of pure MILK or CREAM contain all the nourishment any student, office or professional man needs. Don't take our word for it—ask your family doctor. This breakfast can be prepared with ease and, all told, costs you less than Five Cents.

Pure Milk & Cream Co.

But listen! The food value in breakfast foods, and their nutritive properties are immediately destroyed the moment inferior or impure milk and cream touches it. If your milk or cream is clarified you may rest assured that the obnoxious substances so likely to infect milk, without being visible to the naked eye, have been removed. Clarified milk, produced under the most improved means toward sanitation and wholesomeness is sold by us. Are you a user of this milk? Eventually you will be—Why Not Now?
