AUTO PAYS THE BILL.

It is astonishing how few voters seem to realize that it is the automobile which pays the principal and interest of the \$6,000,000 road bonding bill.

With even a moderate increase in the number of automobiles, the license fees will more than take care of interest and sinking funds, and redeem the bonds without using a penny from the state millage tax.

The millage tax is on the statute books now, and it is more than sufficient to take up the slack in the impro-

able event that the number of autos does not increase.

On the basis of the present number of autos, the license fees and the existing millage tax will more than meet principal and interest on the \$6,000,000 bond issue and the \$1,900,000 bonds for forest and post roads in addition.

Once the people realize that it is the auto, not the taxpayer, which carries the financial burden of both principal and interest on the bonds, their instinctive dread of tax increase will vanish, and they will avail themselves of the opportunity to unload a large part of the road burden upon the vehicles that use and damage the trunk roads the most.

Vaudeville Makes Big Hit.

The delegates and their ladies were entertained as guests at the vaudeville last night at the Arcade theatre. The affair was under the management of the entertainment committee and the vaudeville bill was arranged by Meyers and Leiter.

Works and Perceval put on a comedy acrobatic act; Joe King held up his reputation as a versatile imitator; DeFresne Sisters did some high class singing and dancing; Tarleton and Tarleton had a combination musical and comedy act.

ATTENTION

LADIES--Did it ever occur to you that no two faces, thumb prints, or figures were ever exactly alike.

Why therefore, should you compress your vitally delicate organs into a stock or ready made corset?

Bearing this in mind why not be fitted with a Bareley, the only Custom Made Corset in La Grande.

For Women's Convenience

Some women are just a trifle timid about going to a bank to transact business. Why? Simply because they are not familiar with the rules of banking.

This bank is calculated to be of special convenience to women; a place where they can come and feel at home. We aim to make every transaction so clear and so plain, that dealing with our bank soon becomes to them an easy habit.

We appreciate the patronage of women. Their business with us is already large and steadily increasing.

If you are not already a patron, then please consider this an invitation to become one.
