

How to Retain Your YOUTHFUL COMPLEXION

A child's skin is softer and clearer than any adult's because it is better nourished and wornout tissues are more rapidly replaced. However, the clean and fresh complexion of youth may be continued in adult life by proper massage and artificial nourishment of the skin.

ORANGE FLOWER CREAM

massaged into the skin will supply the nourishment that is needed. It is always fresh and of uniform quality. Use it regularly and you'll be able to retain your soft velvety skin and a healthy, rosy complexion. Buy a jar today.

—During the past year we have been supplying our patrons with shoes at prices far below the whole-sale price. Our early purchases, and the great quantities we use in all our stores—175—has enabled us to do this. Had we been on a par with the one store merchant and bought shoes in small quantities we would have to pay the prevailing market prices and would have been forced to raise our selling price accordingly—Give us a trial.

grow and thanked the citizens of La Grande and the stockmen of Union County for their hospitality.

S. O. Correll returned the key to the city to City Manager Currey, untarnished.

Fred J. Holmes, chairman of the finance committee, extended on behalf of the general committee the sincere thanks of all to the livestock men of Union County who had so unselfishly and at great personal expense put on the livestock parade and exhibit and which had helped so much to make the convention a success.

One of the most impressive events of the evening was the singing of "The Star-Spangled Banner" by Mrs. Thomas J. Scroggin. The patriotic atmosphere made it a beautiful picture and it was inspiring as all present joined with spirit in singing the stirring song.

NORTHWEST CALLS FOR HELP.

Minneapolis, April 26.—(United Press)—Farmers of the Northwest are calling for help. Many are hesitating to plant maximum crops fearing labor will not be available for harvesting them. John H. Rich, of the Federal Reserve bank, has compiled a list of towns where farm labor is needed and is giving it wide publicity in the hope of attracting men to the farms. Pay ranges from \$30 to \$50.

High Water Causes Trouble.

The heavy rains of the past few

days have filled the Grande Ronde river full to a level. Last night the water washed the bank away from the county bridge at Island City, a crew of men have been working on it today and have succeeded in getting the bridge out of danger at present.

Also a slight damage was done to the city park bridge, cutting in on the bank at one end.

Are You Missing Any Messages Intended For You?

You receive your mail promptly—telegrams always reach you—telephone messages usually get to you—people who have messages to deliver to you personally are measurably sure to find you "in."

But it always happens that some of the people who have business to do with you do not know you. They could not send a telegram, or letter, or 'phone message for, while it may sometimes happen that they live nearby, they are strangers to you.

Having an offer to make which might be of more immediate interest to you than to anybody else in the city, they must get their message to you through the classified advertising columns.

Unless you are a regular reader of these columns you will miss the message. Somebody will get it, and respond to it—someone to whom, perhaps, it is not so important as it is to you.

If you realized that your letters were going astray—that telegrams addressed to you were not reaching you—you would be anxious to find an immediate remedy for such a condition.

Why not also see to it that the classified advertising messages intended for you shall not be lost?
