Established Policy
The new big idea in banking is the recognition that banking is simply cooperation.
It maintains that a bank and its depositors are equally necessary to each other.
It influences a spirit that unifies endeavor—that makes the interests of both depositor and banker one—that results in mutual progress and advancement.
It is with the recognition that banking is cooperation that our Officers invite the confidence and patronage of the people of this community.

FOOD FAMINE IN SWEDEN
John A. Carlson of this city just received a letter from his nephew in Gothenburg, Sweden, dated March 3, stating they were having a food famine there, groceries were scarce, bread, rice, sugar and coffee could not be bought. One can only buy one quart of whiskey a month at \$1.80 a quart. Coal is so scarce the gas plants have closed down and we have no street lights at night. The factories and manufacturing plants are all closing down too, one after another, which is causing hard times. Work is scarce and if the war doesn't stop soon I don't know what will become of us all, as those that do have the money to buy with are as bad off as the ones that have no money, so I wish we were over there even if groceries are high, as from your letter there must be plenty of work for everyone. With best wishes to all, from your nephew,
ALEX ANDERSON.

Spring Fever?

This is the time of year to look out for trouble! We feel weak—our blood seems hot—no appetite. It's time to clean house! This is when the blood is clogged and we suffer from what is commonly called a cold.
Doctor Pierce's Golden Medical Discovery (in liquid or tablets) purifies the blood and entirely eradicates the poisons that breed and feed disease. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood. For sale by druggists.
Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

ASK YOUR NEIGHBOR!
Portland, Oregon.—"Dr. Pierce's remedies have been used in my family for years, and with good results. I always gave my children the 'Golden Medical Discovery' as a tonic in the spring. My husband took it for poor blood, torpid liver and indigestion. My daughter found it especially good for bloating caused from indigestion. I am glad to recommend Dr. Pierce's Golden Medical Discovery."—Mrs. M. Cunningham, 500 Ross Street.
