RIFLES REPLACE BOOKS AT HARVARD
Cambridge, Mass., May 1.—(United Press)—As a patriotic measure, Harvard started closing its academic year today for all students enrolled in the reserve officers training corps. Starting today there will be six days of examinations for training corps members. The intensive training of the applicants for commission will start May 7. Captain Crodier, U. S. A., hopes to have 2,000 men under his orders.

JAPANESE CRUISER BRINGS GUTHRIE'S BODY HOME
Yokoham, May 1.—(United Press)—The Japanese cruiser Azuma sailed yesterday for San Francisco, bearing the body of George W. Guthrie who died recently while at his post as United States Ambassador at Tokio. Mrs. Guthrie plans to sail May 5 aboard the steamer Columbia.
Miss Anna Alexander, deputy county clerk, who has been ill several days with la grippe, is some improved today.

Of course everyone of legal voting age will want something to say about the proposed \$5,000,000 good roads bond issue to be voted on June 4. As this is a state election, no attention need be paid to whether one has registered for city elections at the city hall. Only those who have failed to register at the county recorder's office, or those who have moved from their voting precinct, need register. However, those who have not voted for the past two years, although registered, will be obliged to register again at the court house.

United States National Bank
La Grande Oregon
Established Policy
The new big idea in banking is the recognition that banking is simply cooperation.
It maintains that a bank and its depositors are equally necessary to each other.
It influences a spirit that unifies endeavor—that makes the interests of both depositor and banker one—that results in mutual progress and advancement.
It is with the recognition that banking is cooperation that our Officers invite the confidence and patronage of the people of this community.
