## ARMY Y. M. C. A. DAY TOMORROW IN CHURCHES

Realizing the importance of protecting the boy in uniform when he is off duty and home-sick, the people are determined to keep him in fighting trim by safe-guarding his leisure hours in camp.

Indeed the governor of this state has issued a proclamation making tomorrow "Y. M. C. A. Day" throughout the state.

Our boys are going out from our homes in response to the call to our colors. The Red Cross looks after him when he is sick or wounded. The Y. M. C. A. looks after him when he is lonesome and home-sick and in need of a friend.

All organizations are centering on the "Y" as the one agency to conserve the boy when he needs his mother, his home and his friends. The "Y" is endorsed by such men as Taft, Roosevelt, Wilson, Lloyd George, Gerard, James Bryce and others.

The various churches all over the state are arranging to present the work tomorrow and the week following. Our own ministers will present the claims of the work in La Grande tomorrow.

In the Presbyterian church Dr. R. E. L. Holt and a member of Company M will speak in addition to the pastor. In the M. E. church Judge Knowles will speak during the morning hour. Our duty is plain. Our own boys claim our interest since they are going to give their lives if need be for our homes and country.

The governor's proclamation follows:  
EXECUTIVE DEPARTMENT PROCLAMATION.

Whereas, No agency, aside from the school, has done more for the development of Christian character, manly integrity and physical well being among our boys and young men than the Young Men's Christian association, and

Whereas, The association in this period of war-time stress faces unexampled opportunities for development and patriotic service, and

Whereas, It is urgently desirable that the work which the Young Men's Christian association is doing, and can do, for our soldiers in the field, receive the fullest possible recognition and assistance,

Now, Therefore, I, James Withycombe, Governor of Oregon, do hereby proclaim Sunday, May 6, 1917, as Oregon Y. M. C. A. day, and I ask that the ministers of the state on that day make special mention of association work and association needs with a view to arousing widespread public interest and support for the practical and praiseworthy operations of this splendid organization among the young men who have gone forth from their homes to render service to their country.

In Testimony Whereof, I have here to set my Hand and caused the Seal of the State of Oregon to be hereunto affixed this 21st day of April, 1917.  
JAMES WITHYCOMBE,  
Governor.

## Salvation Army Aids Police Of Chicago

The following from the Chicago Examiner of Sunday, April 15, tells how the Salvation Army is aiding the police of that city:

Chief of Police Schuetzler yesterday accepted the Salvation Army's offer to place its entire membership, buildings and equipment at the disposal of the police department. The following order was sent last night by Commissioner Thomas Estill to heads of the different Chicago departments of the army:

In view of the fact that a large number of police are detailed on war duty and that serious accidents and fires entailing loss of life and property are liable to occur, I have today called on Chief of Police Schuetzler, placing all of our Chicago officers and cadets and buildings at the disposal of the city for such emergencies.
